## Class History

In September, 1960, thirty-one students enrolled as Freshmen at Deputy High School. The biggest event of our Freshman year was the initiation by the Sophomores. Our sponsor was Mr. Wells.

Twelve from Paris Crossing joined the twenty-seven at Deputy to make our Sophomore class number thirty-nine. We found Luther Akemon had gone to Scottsburg. During the year Ronald Campbell moved to Crothersville and Marilyn Speer went to North Vernon, leaving thirty-six. We had the privilege of initiating the Freshmen. Mrs. Hutchinson was our sponsor.

There were thirty-five jolly juniors. Sherry Howell did not return after the summer and Nancy Singer was no longer with us. During the winter Larry Boardman moved to Louisville but Claude Phillips joined us to even it up. We had a very enjoyable year with Mrs. Kinder and Mr. Deputy as our sponsors. Our activities included the presentation of a play, "Washington Never Slept Here," a trip to Louisville to see Cinerama, and closing the year with a Hawaiian luau.

When our Senior class met in September 1963, we found a new face in our merry group--that of Paula Feltner--making our number thirty-six. We had a Halloween Carnival as a money-making project. We also went to North Vernon for Career Day. Under the leadership of our sponsors, Mrs. Hutchinson and Mr. Neff, we are looking forward to many more wonderful experiences this year.

## The Seniors in 1974

By the Junior Class

MARK FIELD, is the new singing sensation. He is famous for his long black wavy hair, and side burns. We think a certain "Singer" influenced his career.

GARY PECK, who was very familiar with the duties of principal during his days at Deputy has decided to go into education. He is now a prominent principal with the theory: "Jump on their chests and pound."

JAMES NAY, gained 250 lbs. since his high school days and is now the Santa Claus for Macy's. He is very good on his calls, "On Donnar, on Patty-er, on Cupid, Oh brother!!"

DONNA HARMON, has become Santa's little helper, but because of the reindeer shortage she has become a reindeer answering to the name of Donnar.

MIKE FIELD, is a judge in the annual Miss America Scientific Bathing Suit Contest. He is married to the winner of last year's contest.

HOPE BONESTEEL, after winning last year's Miss America Scientific Bathing Suit Contest has decided to settle down, to oversee the "Fields".

ROSELYN SAYLOR, is part owner in the Watkin's Corp. She now can be seen on the horizon peddling her Watkins' products.

ELDON ELLIS, is now the famous short stop, batting a .984 average for the Los Angeles Dodgers.

WAYNE HOFFMAN, is now a guard for the Harlem Globe Trotters, meeting qualifications at 7'3" and also owns a shoe corporation specializing in 8" heels for short girls who like tall basketball players.

CLAUDE PHILLIPS, a famous race driver whose average at the Indianapolis Speedway is 250 m.p.h., broke the record when his jet propelled 8 barrel Olds. went into orbit.

JANET PHILLIPS, has volunteered her brain to science to find out what makes her cackle.

JANET ROSS, inherited a flag company from her long since deceased relative Betsy.

PHYLLIS LAMB, is now shepherding her flock of little "Lambs".

ERNEST LAMB, known for his honest, earnest, straightforward attitude during high school is a prominent divorce lawyer in Reno.

WANDA MALCOMB, is living near the ocean and changing the hair styles of Navy men as the first Navy beautician.

MICHAEL SHELTON, is now graduating from veterinary school and is treating the "Sons of Robins".

ROGER BELL, is climbing the telephone poles of success for the Bell Telephone Company.

KATHLEEN LOYD, is now a secretary for Lloyd Bridges. She is the first under water secretray.

BARBARA SHORT, is now a short order waitress in Mahoolihan's Delicatessen.

## The Seniors in 1974

CAROL CLINE, is known as the star of western movies taking the place of Dale Evans with her horse Gingerbread.

HOWARD MALCOMB, is now president of "Malcomb's Plaster Paris Corp." specializing in casts for clumsy basketball players.

JUDY DEATON, is now keeping records for her husband who is trustee of Montgomery Township.

LARRY GREEN, is the sheriff of Jennings County and has helped put into effect the law, "Only the driver of the car in the front seat and no passenger within 3 feet of the driver."

VIRGINIA RAY, Virginia's favorite saying now is "come here you little Dickens."

SHARON CAMPBELL, is the famous cook in the Campbell soup kitchens in Crotherville.

JAMES POLK, is now a "Good Humor Man" in Deputy selling his Good Humor Bars.

JOYCE CAMPBELL, is now a famous movie star starring in "The Campbells are Coming."

CHARLES McCLANAHAN, better known as MaHoolihan" was a presidential nominee in 1972 but after defeat is now running MaHoolihan's Delicatessen.

LINDA MARSHALL, is the first psychiatrist on the moon and is trying to analyze moon monkeys.

CARL OWENS, is a bookkeeper at the Cincinnati Zoo after completing a Book-keeping course under Mrs. Hutchinson's excellent teaching.

BETTY RAY, is now proprietor of the shop "Betterment by Betty Beauty Salon."

JIMMY COOK, is now married to his childhood sweetheart and has a dozen little cookies.

PAULA FELTNER, is now a Peace Corps volunteer in the Cannibal countries. They say "you can't keep a good girl down." Good Luck, Paula, you'll need it!

RONALD REA, Ronald is now a famous brain surgeon who enjoys experimenting over former classmates. His theory is: "if you can't understand them, operate!"

NANCY WHITSITT, is presently starring in the Broadway production of "Peck's Bad Girl."

## 10,005 Miles Without Refueling!

In 1931, this truck, powered by Cummins Diesel went 14,600 miles without an engine stop—13,535 miles without a truck stop—10,005 miles without refueling. The dramatic event marked the diesel's entry into the trucking industry. Growth of Cummins Engine Company in the trucking field has been even more dramatic. From a small operation housed in a garage, Cummins has become the world's largest independent producer of high speed diesel engines, with over 1,000 sales and service points throughout the United States and the free world.

If you are seeking a challenging career with a growing organization, we encourage you to investigate the opportunities with our Company.
