This was a year like no other year. We laughed and grew together as a school. We experienced new things and remembered things of the past.

Each day held new surprises. Whether it was a forgotten test or an unexpected substitute. Homework was never a surprise.

After school we filled our time with ballgames, hanging out with friends, or driving through McDonald's!

Yes, this was a year that memories are made of and the beginning of Friendships that will last forever.

THOUGH MANY YEARS HAVE TUMBLED
TO REMEMBRANCE AT OUR SIDES,
WE KEEP THESE SECRETS LOCKED AWAY
IN A PLACE THE APPEARANCE HIDES.

CAREFULLY FOLDING MEMORIES,
AND TUCKING THEM SAFELY AWAY,
WE'VE COME TO GREET THE NEW WORLD
AND SHED LIGHT UPON THE DAY.

AMBITION READILY AWAITS US,
WHILE WISHES AND DREAMS STAND BY,
AND YEARS ADD TO THE YOUNG HEART
WITH HOPES TO REACH THE SKY.

THE YEARS HAVE SILENTLY COME TO A
CLOSE,
THROUGH HAPPINESS, TOIL, AND STRIFE
AN END IN GRADUATION,
NOT DESTRUCTION OF A LIFE.

Honor Day is always a special event. It was a day to stop and recognize the many achievements of the Class of 1988, and the individuals who have made our High School years memorable.

PROM

"I've Had the Time of My Life", was the theme of the 1988 Junior-Senior prom. The J. Graham Brown Center at Hanover College turned into a glamorous dance with red, black, and silver decorations. The anticipation grew when it came time for the crowning of the prom royalties. The prince and princess were Todd Gettlefinger and Tonja Vaughn. The 1988 prom king and queen were Aaron Motenko and Kristie Jerrell. The dance was a great success with live music and everyone dressed in their finest attire. This was a great year for the prom and everyone had the time of their lives.

Class of '90

Made that big jump across the ditch

What was the biggest change from Junior High to High School?

Class officers are the following: Angela Cyrus, president; Mike Searcy, vice president; Amy Williams, secretary; and Ramona Benkert, treasurer.

Jimmy, Mike, Chris, and Tim charm us with their good looks.

CLASS OF 90

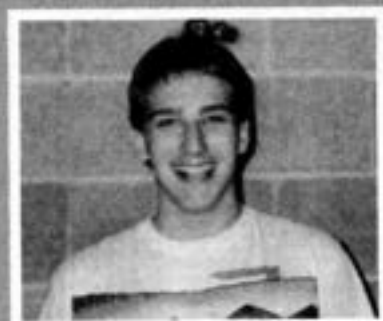

Colors: silver and royal blue

Flowers: blue carnations tipped in silver with baby's breath

Motto: "Our glory consists not in never falling, but in rising every time we fall."

Ramona Benkert — "Now I only see certain people — the ones who are in my class."

Dan Vonderheide — "High School is cooler. Now there are only a few people under five feet tall."

David Holman — "Letting the sophomores go to the prom with a junior or senior was a big change."

Darren Barnes — "There is better junk food here."

Connie Morris — "The ceilings aren't as bad!"

OUR YEARBOOK

Since this was my first year as an adviser for the yearbook, I would like to give special thanks to some faculty members at Madison High School. I'm sure the yearbook publication would have been more difficult without their help.

I want to thank Mr. Knoble who helped me organize my objectives for the course. Dr. Peigh who gave me his support and leadership, Mr. Meyer who gave our yearbook staff the use of the graphics department and darkroom and Mrs. Harrell who contributed her journalistic knowledge on several different occasions.

My yearbook staff was great! Thanks to their creativity and enthusiasm we have a nice book that is full of knowledge and memories for 1988.

INTRAMURAL FOOTBALL

1987-88's Intramural Football crown went to the "Guppies." Their record was 14-0. They also claimed the IFL tourney championship. This was no easy task for them to accomplish. They were fiercely followed by three of the other four teams, those teams were the Holy Cows, The Kru, and the Scooters. Commissioner Alexander hopes for a better turn-out next year.

Seniors taking a break from their float!

This year's winning float was built by the Junior class. The class worked very hard on their creation and put in many long hours of glueing, hammering and stapling. They did a great job.

This contest is one of the important events of the football season. There is a lot of competition among the sophomores, juniors and seniors when this contest begins.

Congratulations to the Junior class for the winning float and we give high praise to the sophomore and senior class for their hard work.

Winter Wonderland

On the night of December 18, 1987, students celebrated the Christmas season with a dance sponsored by Student Council. The dance was held at the Junior High from 7:00 p.m. to 11:00 p.m.

The semi-formal dance was a nice way to start the Christmas vacation.

Calm down boys!

Debbie, the student council president.

The senior guys can "look good."

Time to remember.

Beth is happy.

Dance

The Dance Club is sponsored by Sarah C. Smith and Mrs. Nancy Eagleson. It meets once a month in the girls' gym, and students have a very "convivial" time, according to Mrs. Smith. The club owns its own stereo and some cassettes, although members frequently bring their favorites. Ralph Moreland is the student leader of the group. A pizza party is planned at the conclusion of the school year.

The Madison Pep Club was very successful this year. Our major accomplishment was the Student Tunnel. We had lots of new rulers but we still succeeded. We had several new faces and new ideas. We hope this enthusiasm continues into the '88-'89 school year. The president is Art Baldwin, vice-president is Mary Caroline Peddie, and the sponsor is Mrs. Alexander.

Student Council

Leadership, responsibility, hard work, planning, and fun are a few of the aspects Student Council is made of. This year's Student Council was very active along with carrying on many activities from past years, such as the walk on system and the can food drive, Student Council sponsored many new activities. These included activities such as a volleyball tournament between the high school classes, a semi-formal Christmas Dance, and a talent show. The Student Council is very active and well organized. This year's Student Council was a great learning experience for all of those involved.

Also, concerns of the athletic needs of MCHS were discussed and given consideration as the Letterman's Club purchased the ice machine, whirl pool, universal gym, weight machines, rakes, and other equipment that may improve the overall performance of athletes while at MCHS.

Fund raising was done by members operating a concession stand at home basketball games.

87-88 All-Conference Award Winners

I would like to thank all of the seniors on this year's Madison Football Team, for three years of hard work. Wins didn't always come easily as we would have liked but the success of this team can not be measured only by the scoreboard. This team exemplified high character and an admirable work ethic. We were young in a lot of positions but we also had a lot of seniors starting. Sometimes this didn't blend together as maybe we would have liked, but the effort never ceased to be there. Seniors, if you approach your future with the same enthusiasm, optimism, and courage as you did this football season, you will be successful in whatever walk of life you choose for yourself. Thank you for being a part of my life and I will never stop appreciating you.

Varsity captain Anne Poindexter said "I thought we did really well for having mostly inexperienced players on the varsity team. Most of us had never played together before last year because we were split between J.V. and Varsity. We had to learn to work together and play as a team. We were all surprised at how well our season began. Winning the Madison Invitational was a great accomplishment for our young team."

Madison coach Miss Eisenhardt expects an even better season next year considering that most of the Varsity players are returning.

The record this year for Varsity was 14-14 the J.V. team won 14 and lost 5.

Cross County Banquet Winners

The 1987 Madison boys cross country team had an exceptional year, winning the sectional and advancing through the regional to the semi-state at Bloomington. Led by the seniors, Mark Gish, Al Dattilo and Brian Hart, a junior, Jeremy Jankosky and a freshman, Scott Steinhardt. The team won Madison's first cross country sectional in the school's history. All five runners received a share of the most valuable runner award. The entire team will be wearing a patch indicating their sectional win and remain a memory for the rest of their lives. Sean Ison the sixth man on this outstanding team received an award entitled "A piece of the rock" for his role in the sectional victory. Other team members were awarded accordingly for their contributions.

87-88 GIRLS CROSS COUNTRY

L to R — S. Smith, J. Steinhardt, T. Hill, A. McCormick, Coach Lou Knoble.

For Jennifer Denning it was another great year. Finishing sixth in the sectional and once again advancing to the Regional at Bloomington. The team lacked depth even though runners Jackie Steinhardt, Trina Hill, Allison McCormick and Susan Smith gave it their all. The over-all team strength was not strong enough to advance as a team beyond the sectional. "The girls worked hard and gave it a good effort, but a team needs more than five runners in order to compete on the level that our Lady Cubs have to" said coach Knoble.

NICE HOSE!!!

The MCHS "Cub" swimmers and Divers had a successful 1987-88 campaign with a winning dual meet record.

The sophomore and Junior class team members performed solidly, while a strong Freshman class pursued their's quite successfully into the scoring columns while the small group of Senior's leading their determination and quality performances.

Each athlete learned that it takes a team effort coupled with personal best performances weekly to be a winner in aquatics as in life.

They, after a brief rest, are working toward future success NOW without delay.

The High School Girls Varsity Swim Team of 1987-88 had a very good group of student-athletes represent our school. It was the concluding year of "Senior" students. They used the aquatic environment to apply and alter their lifetime habit patterns. Many were water winners and some learned how to apply honest team work to become winners in the greater game of life in which we must all compete.

The underclass members of the team learned not only from the coach and visiting competitors, but from casual observations of the leading "Senior" group. They look forward to the next season with confidence and look back for a better perspective view of a better total program.

This year was of much improvement for the boys tennis team. They scored the first eight points for the all "Sports Trophy" by placing second in the Hoosier Hills Conference Tournament. Madison defeated Jennings County (3-2) in the semi-final round. In the championship round, the Cubs lost to Jeffersonville by a score of (0-5).

The number one doubles team of Bryan Solomon and Chris Naylor and the number two singles of Mike Kemper, placed second in the Individual Tournament of the Conference Tournament.

The first round of the sectional saw Madison defeat Brownstown Central (4-1). Round two was not quite as successful. Madison lost to a very strong Seymour team (1-0). Overall the Cubs were five and twelve for the season.

We were very fortunate to have an exchange student, Christian Illic, to play number one singles. Christian was a talented player, but all the team members will remember him for his overwhelming fondness for Big Macs.

The Madison Boy's Golf Team record was nine and six this year. The team finished third in the Hoosier Hills Conference meet. Madison was led by a freshman, Mike Kemper, with a 76 average and he was also selected to the Hoosier Hills Conference All-Conference Team by shooting a 75. Coach Cooper is very enthusiastic about this as Mike is a freshman and has three more years to bring honors to Madison and to himself.

Madison will miss the senior dominated team of Kelly Dougan, Wayne Phillips, Steve Williams, Clark Boyd, Mike Ross and Tom Price.

With a 7-2 start, the beginning of the season for the Lady Cubs was a very positive one. During the first half of the season, they beat teams that were or had been ranked in the top forty teams in Indiana. The first game and victory for them come over South Dearborn who were ranked twentieth in the pre-season polls. They also beat a Switzerland County team that had been in the top forty teams. During the Switzerland County game, Julie Koehler made a mark for herself by hitting the first three-point shot in Madison Lady Cubs' history.

With high hopes going into the second half of the season, they faced some tough competition. During January, six of the ten teams the lady cubs faced were in the top twenty. They played some close and hard-fought games against New Albany, Jeffersonville, and Jennings County, with less than ten points deciding each contest. Although they did not win a game in January, Coach Adkins was pleased with their efforts because he felt that they played one of, if not the best schedule in the state during that month. The season ended with a disappointing loss to number one ranked Scottsburg in the Sectional.

As a special guest speaker for the banquet, the head coach for the Indiana University women's basketball team, Jorga Hoehn, told us what it takes to have a successful basketball program. She also shared many of her own experiences with us to make it a special night. At the banquet, Kim McGinnis received top honors as she was named Most Valuable Player for the team.

The Madison Wrestling Cubs' win-loss record this year was not reflective of the good season they had. Their 7-17 record indicates things didn't go too well. However, Coach Ken Brunner's young wrestling team consisting of primarily freshmen and sophomores with only two juniors and seniors showed remarkable courage against its more experienced opponents. One of the highlights of the season was when senior Rodney Skinner tied the school record of 18 pins in one season. Skinner ended the season with a respectable 23-8 record. Another fine performance was given by freshman Chris Gross who ended the season by qualifying along with Rodney Skinner, for the IHSAA Regional Wrestling Tournament. Major Award winners for the season were: Rodney Skinner, Most Valuable Wrestler; Jimmy Walro, Sportsmanship; Bart Gettelfinger, Academic Achievement; Ian Rowe, Most Improved Wrestler; and Chris Gross, Most Valuable Freshman

In the championship game against Southwestern, pitcher Travis Seel tied the strikeout record with the Cubs winning, 5-0.

Defeating Jennings County 10-1 in the first round of the Hoosier Hills Conference Tournament and downing New Albany in the semi-final game with a score of 3-2. The Cubs finished second to Jeffersonville in the championship game with a final of 5-4.
