# In Loving Memory...

'Tomorrow mornin' if you wake up  
And the sun does not appear  
I...I will be here

If in the dark we lose sight of love  
Hold my hand and have no fear  
'Cause I...I will be here

I will be here...  
When you feel like bein' quiet  
When you need to speak your mind  
I will listen

And I will be here  
When the laughter turns to cryin'  
Through the winnin' and losin' and tryin'  
We'll be together  
'Cause I will be here

Tomorrow mornin' if you wake up  
And the future is unclear  
I...I'll be here

Just as sure as seasons are made for change  
Our lifetimes are made for years  
I...I will be here

I will be here....  
You can cry on my shoulder  
When the mirror tells us we're older  
I will hold you

And I will be here  
To watch you grow in beauty  
And tell you all the things you are to me  
I will be here

I will be true  
To the promise I have made  
To you and to the  
One who gave you to me

I...I will be here

And just as sure as seasons are made for change  
Our lifetimes are made for years

'Cause I...  
I will be here....  
We'll be together

'Cause I will be here'

Song: "I will be here"  
Artist: Steven Curtis Chapman

# Mrs. Dianna Risk

"I see trees of green, red roses too  
I see them bloom for me and you  
And I think to myself what a wonderful world.

I see skies of blue and clouds of white  
The bright blessed day, the dark sacred night  
And I think to myself what a wonderful world.

The colors of the rainbow so pretty in the sky  
Are also on the faces of people going by  
I see friends shaking hands saying how do you do  
They're really saying I love you.

I hear babies crying, I watch them grow  
They'll learn much more than I'll never know  
And I think to myself what a wonderful world  
Yes I think to myself what a wonderful world"

Song: "What a Wonderful World"  
Artists: George D. Weiss and George Douglas

*"A hundred years from now it will not matter what my  
bank account was, the sort of house I lived in, or the kind  
of car I drove...*

*But the world may be different because I was important  
in the life of a child."*

If you had a million dollars, what would you do with it and why?

**Amanda Deputy**  
I would replace the white door on the "Green Machine!"

**Mr. Strassell**  
The first thing I would do is become debt free, then I would make it where I only have to teach Calculus and nothing else. The last thing I would do is, during the summer I would walk to Appalachian Trail.
