Scoreboard...

During the 2008 cross country season, MCHS did not have a sufficient number of male athletes to compete as a varsity team. The IHSAA requires a minimum of 5 athletes participating in a meet. MCHS could only muster four runners on a regular basis. As a result, MCHS boys' scores did not count in any meet competition.

Mr. Alheart

Dedication to Jon Menke

National Guard Specialist Jon Menke was killed August 4, 2008 while serving in Iraq. He was a 2005 graduate of MCHS, and was well known for his outstanding school spirit. As a soldier, he was committed to making life better for the citizens, especially the children, of Iraq. He deserves honor for the sacrifice he made for his community as well as his country.

Katie Walters

Dennis Perlstein: My favorite memory was when the night before show, Meagan Potter came off stage after she died and screamed right in my ear. I was rolling on the floor in pain for about five mins. It hurt , but it was really funny.

Katie Walters: My favorite memory is a toss up between the last show when Dennis tripped getting up on the bed and getting shot with a toy arrow by Jessica McAlister,(with or without her face of panic).

Dakota Adams: My favorite memory from Peter Pan would have to be the first day we practiced with the fly system. I remember Katie screamed the first time they lifted her up. My experience, however, was a lot of fun.

Tristan Kelsey: My favorite part was getting to work with the high school kids and of course the fly system. It was a lot of fun.
