John Davila

John is from Basque, Spain. He says that his favorite part about America is that the people are very friendly. In his home country nobody says hello to you as you walk down the street or good morning unless you actually know them. People just go about their days without bothering anyone else. He also says everything is bigger; cars, buildings, people, and especially food portions.

Luka Lilie

Luka is from Hamburg, Germany. The difference here is that there are more fast food places. The difference in clothes is that they don't usually wear sweatpants. They only wear jeans and other types of pants. In Germany they eat more quality food. The people here are a lot nicer and are more willing to talk to you.

Jun Seok Kim

Jun is from Incheon, South Korea. The major differences is the food and school. In school the kids stay in the class room while the teachers move classes. They eat rice mostly every meal. He said he liked America a lot. He also stated that people over here are more friendly.

Eszter Illés

Eszter is from Komárom, Hungary. She says that her favorite part about America is that the people are very friendly although they always want a relationship. The food is of less quality in America than in Hungary. They don't have as much fast food as we do.

THE YEAR IN POP MUSIC had plenty of familiar faces at the top of the charts, such as Justin Bieber and Taylor Swift. But there were also plenty of new stars who had breakout years, such as The Weeknd and Shawn Mendes.

POPE FRANCIS VISITED THE U.S. FOR THE FIRST TIME EVER. He addressed Congress in Washington, D.C., and the United Nations General Assembly in New York City. He ended his trip in Philadelphia. His schedule included a parade and services, and crowds followed him hoping for a glimpse of or a hug from the pontiff.

THE STRONGEST HURRICANE EVER RECORDED – named Patricia – made landfall in a sparsely populated area of southwest Mexico on Oct. 23. Hurricane Patricia caused a lot of damage in Mexico and then swept northeast, merged with another storm and caused flooding in Houston, Texas, and Louisiana.

After 16 years, comedian **JON STEWART** (pictured interviewing President Obama) stepped down as the host of popular satirical news program *The Daily Show*, surprising an entire generation of college-aged kids used to getting their news laughs from Stewart.

The Fox network drama, *Empire*,

which centered around the story of fictional hip hop music company Empire Entertainment and its founding family members fighting for control of it, became a can't-miss show for many.

Even after band member Zayn Malik left the group, boy band **ONE DIRECTION** still released a new album, *Made in the A.M.*, that was one of the year's top sellers. Despite that, the four remaining members of One Direction decided to take a break and pursue solo careers.

NASCAR driver **KYLE BUSCH** won five races during the 2015 season and won his first Sprint Cup championship. **JEFF GORDON** retired after 23 seasons and 93 career race wins.

GAS PRICES steadily crept lower throughout the year. By Thanksgiving and Christmas, the national average fell below \$2 a gallon for the first time around a holiday since 2008.

STEPHEN CURRY won MVP and led the Golden State Warriors to an NBA title, then got the 2015-16 season off to a 24-0 start, which set a new record for the most consecutive wins to start an NBA season.

The Denver Broncos defeated the Carolina Panthers, 24-10, to win Super Bowl 50. Denver's top-rated defense, led by game MVP Von Miller, shut down quarterback Cam Newton and the Panthers' offense. The victory was also the second championship for Denver quarterback Peyton Manning.

Several **NEW SPECIES WERE DISCOVERED** in the Eastern Himalayas in recent years, and the World Wide Fund for Nature (WWF) raised concerns this year about whether they are endangered. Among them were the Burmese snub-nosed monkey (shown), a "Dracula" minnow and the megophrys anrae, a new species of frog.

This year's field of **BEST PICTURE NOMINEES** at the Oscars included *The Martian*, which saw Matt Damon playing an astronaut trapped on Mars. Other movies nominated included *Spotlight*, *The Big Short* and *Mad Max: Fury Road*. *The Revenant* starring Leonardo DiCaprio led all movies with 12 nominations.

Mixed martial artist **HOLLY HOLM** shocked the MMA world in November when she knocked out UFC women's bantamweight champ Ronda Rousey. The victory for the relatively unknown Holm was considered a huge upset.

ALABAMA DEFEATED CLEMSON, 45-40, in the championship game of the 2016 College Football Playoffs. The victory earned a fourth national title in seven seasons for the Crimson Tide under coach Nick Saban.

GOOGLE unveiled a new version of its famous multi-color logo, changing to a sans-serif font for the first time in more than 17 years. The company said the update was an attempt to make the logo look better on multiple devices.

Apple released the **APPLE WATCH**, a new brand of smartwatch that performed many of the same functions as an iPhone, but with a more personal connection for the user. In the first year, Apple sold 12 million watches.

QUEEN ELIZABETH II became the longest-reigning monarch of Great Britain on Sept. 9. She surpassed her great-great-grandmother, Queen Victoria, who sat on the throne 63 years and 216 days. Stargazers everywhere received a treat in September when a **LUNAR ECLIPSE** took place. The event was rare as it was a total eclipse of a supermoon, meaning the eclipse took place at the same time as a full moon.

The Kansas City Royals

defeated the New York Mets in five games to win the 2015 World Series. It was the first World Series title for the Royals in 30 years. In six of their 11 playoff wins, Kansas City trailed by at least two runs, setting a record for the most comeback wins in one postseason.

AMERICAN IDOL aired its 15th and final season, with Keith Urban, Jennifer Lopez and Harry Connick Jr. taking their last turn as judges. Several past winners returned to make appearances in the show's last go-around.

New England quarterback **TOM BRADY** was suspended for four games by the NFL when the league ruled he was "generally aware" of possible wrongdoing in the Deflategate controversy. However, Brady's suspension was overturned on appeal by a federal judge, allowing him to start the year for the defending Super Bowl champs.

A mass migration of **REFUGEES** from Syria, Iraq, Afghanistan and other countries headed for Europe by foot or boat in search of better opportunities. The situation strained resources and raised tensions in many places.

The Oxford Dictionaries **WORD OF THE YEAR** FOR 2015 was not actually a word – it was the emoji 🥳, known as the Face with Tears of Joy. In its announcement, Oxford Dictionaries said the emoji was chosen "as the 'word' that best reflected the ethos, mood, and preoccupations of 2015."
