Dear Students,

This is the first year for the jr. high yearbook to have a staff composed 7th, 8th and 9th graders.

The yearbook staff chose for the theme of our yearbook "United We Stand." We would like to express our gratitude to Don Schmale, who made it possible to take our aerial view. David Orill, and his assistant, Mike Dawson, are to be thanked for serving as our school photographers.

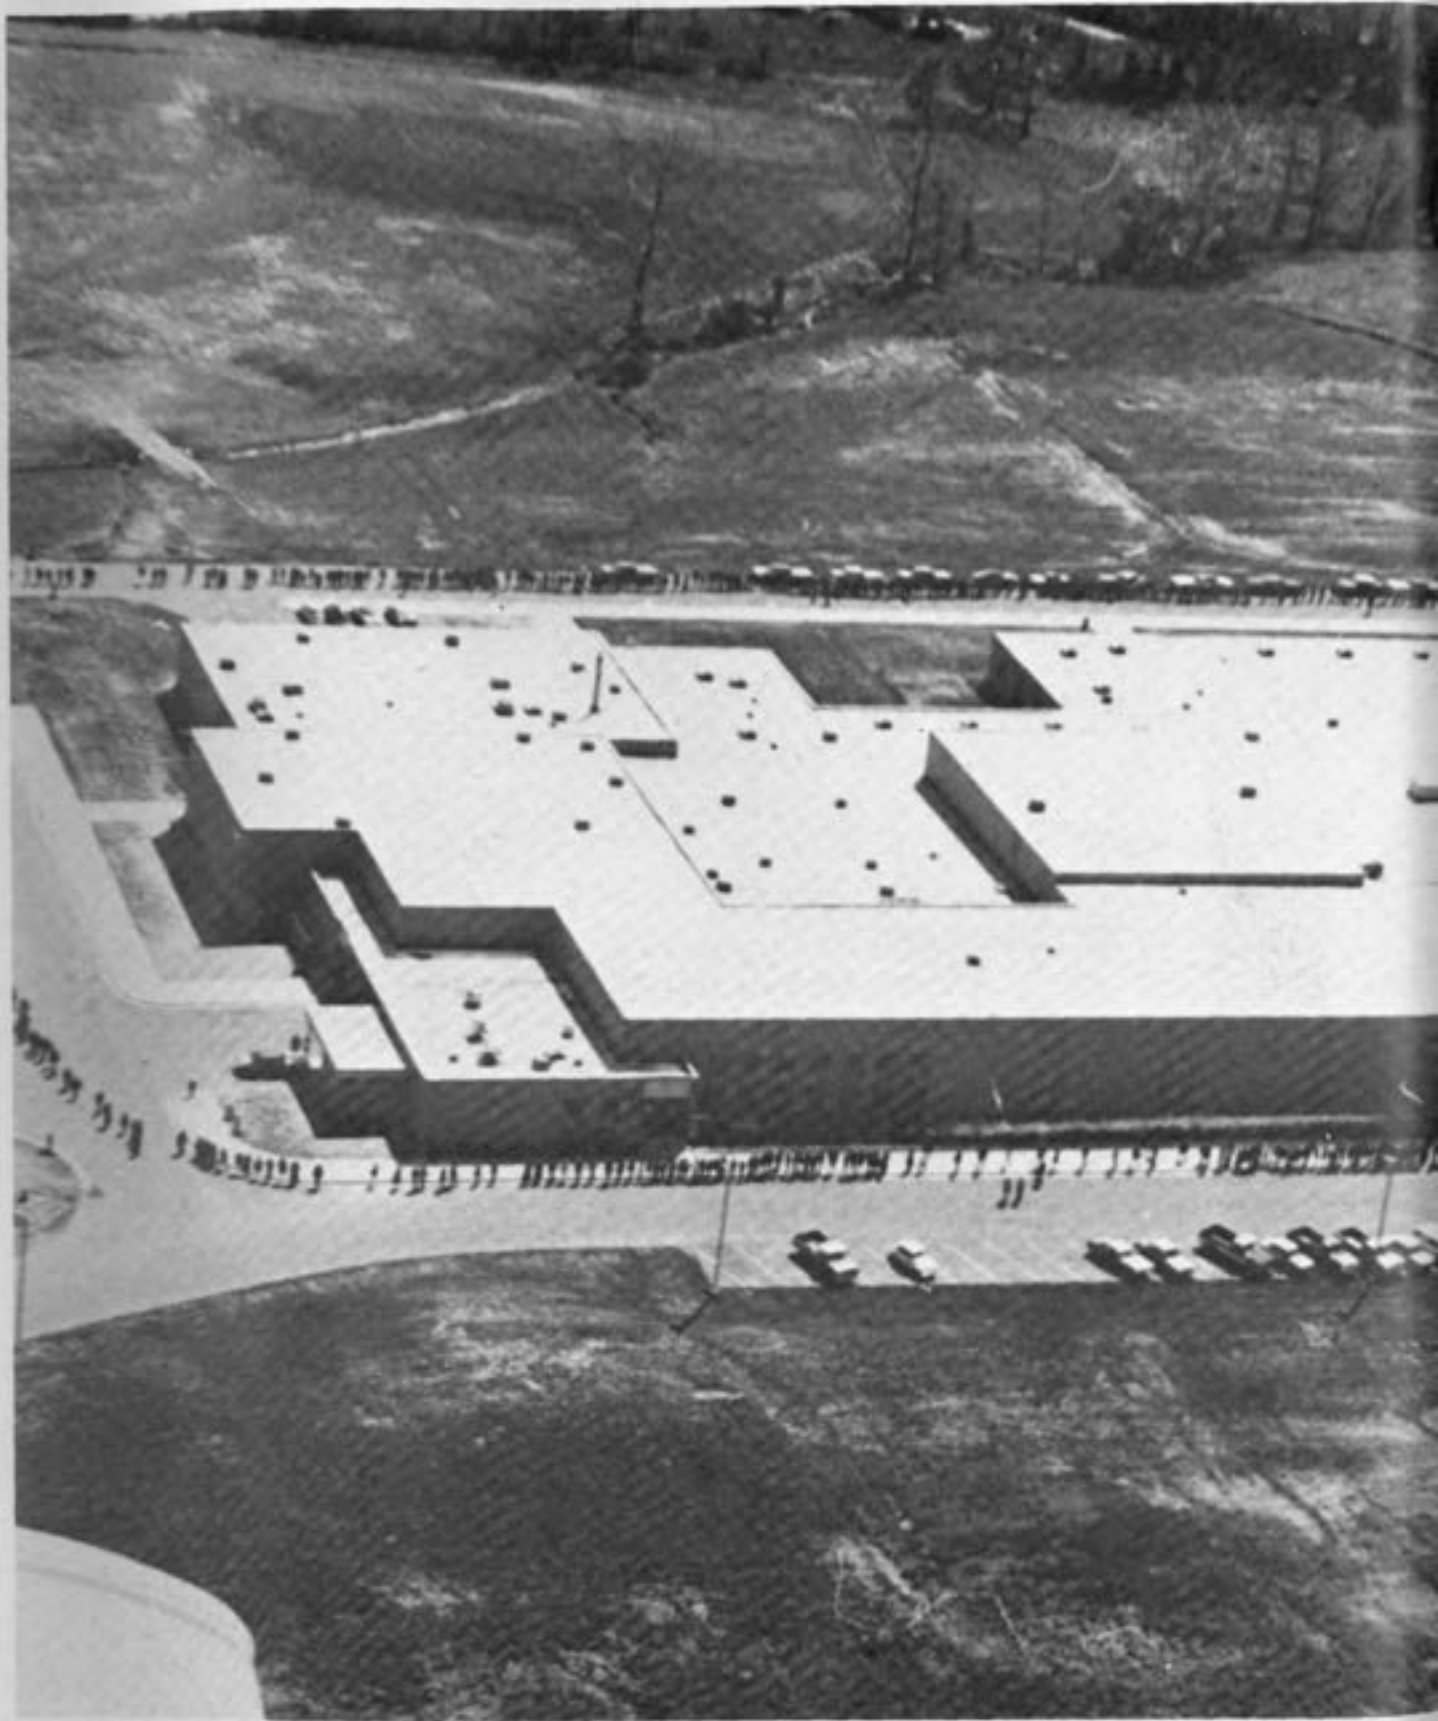

Also deserving of our thanks are Mr. McDonough and the other faculty members who made it possible to put this yearbook together. Last but not least, our appreciation is extended to Miss Alisanna Scott, who was yearbook sponsor and devoted much time and patience to the project.

We have chosen to dedicate our yearbook to Mr. Lewis Thellis, in honor of his long years of service at the Madison Jr. High School. He became the jr. high's principal in January of 1951 and served until the year of 1968-69. Then he started teaching science classes full-time.

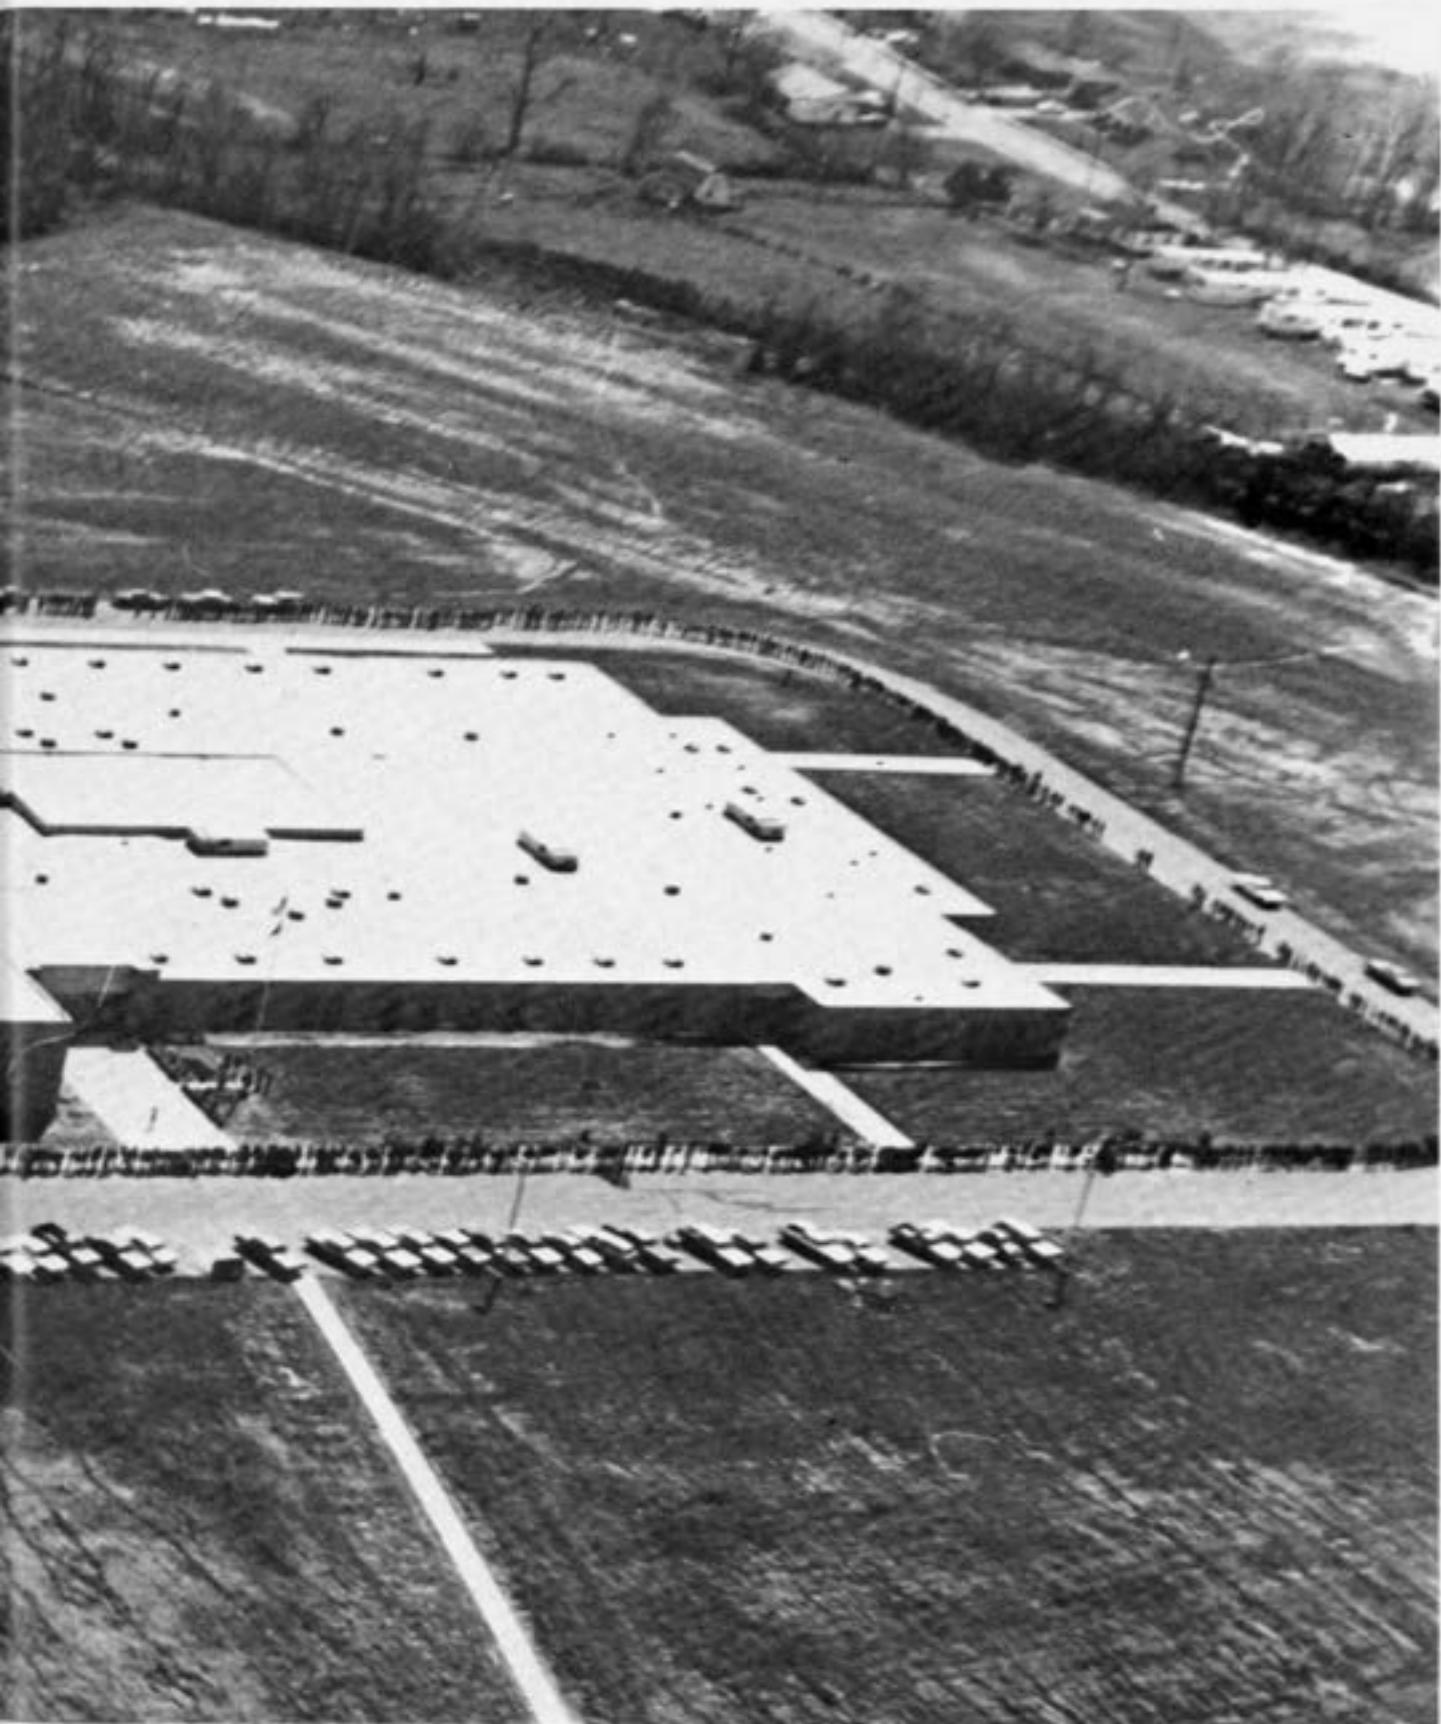

We want you to know, Mr. Thellis, that your work and devotion has inspired many. Our hats are off to you!

It is hoped that this yearbook is enjoyed by all.

Sincerely
The Staff
