This year's yearbook staff included seventh and eighth grade students, whereas in the past it was only open to ninth graders. We all worked together diligently to provide you with a yearbook which we hope will bring back happy memories of your days at Madison Junior High.

Activities

Some of the activities we enjoy are obviously eating, working with computers, practical lab experiences, and physical games.

During the school day we like to take our work seriously in our classes, but after school we like to have fun by going places together.

We enjoy doing all sorts of things at school, but we have the best times during lunch and after school.

Seventh And Eighth Grade Bands

The seventh grade band comes from nine different schools. They take part in three concerts, a parade, and state contest. Many students also take part in solo and ensemble contest winning many medals. They performed in state contest and were very successful. Congratulations for a great year!

The eighth grade band is one of the largest and most talented. They have shown a lot of leadership and musicianship. After a very successful contest they are preparing to take part with the High School Marching Cubs.

Ninth Grade Band

For the first time, members of the ninth grade band had the chance to march with the high school band at football games. They also played with the high school at contests in which they performed very well. Some of the members also played in the high school pep band at home basketball games. Obviously, this ninth grade band is talented!

The junior high choir performs three concerts throughout the year. One in the fall, one in the winter, and one in the spring. Individuals may participate in the District contest that is held in Clarksville in February. They may also participate in the Organizational contest that is held at Madison in March.
