MOLLER-88

Doctor Dripp's master plan.

As we see it ... this is what the world will look like if Dr. Dripp takes over. But don't despair, there is Super Coke Man to save us all ...

The Brave and handsome reporters ...  
And we were there to see it ...  
this is the story.

"Doctor Dripp"

"Super Coke Man"

"Due to swift action of the MADISON VICE we have found the hideout ... M.J.H.S."

"Here we are at M.J.H.S. trying to find Doctor Dripp."

*Dreamers*

Follow your dreams,  
take one step at a time.  
Don't settle for less,  
just continue to climb.  
Follow your dreams,  
if you stumble, don't stop.  
Keep your eyes on your goals,  
press on to the top.  
For only on top  
can you see the whole view,  
can you see what you've done  
... and what you can do.

Even though we're heading  
on our own separate ways,  
we'll always hold on  
to those junior high days.  
Though the memories at MJHS are many,  
we know we've just begun.  
Never forget ... "we are unique"  
we're the class of '91!
