HAPPINESS

*Happiness
can't be defined . . .
It's a certain mood,
A state of mind.
It's sharing everyday affairs
With one
Who understands and cares.
It's a tender look
And a gentle touch
That says
"I love you very much."
It's a smile of comfort
When you're blue.
A hope that's shared,
A dream for two —
And happiness
Is more than this.*

*It's a warm embrace,
A gentle kiss.
It's a special blessing
From above.
It's what you have
When you're in love!*

*You are
The dearest part
Of everything I do.
Your love means
The world to me.
My happiness
Is you!*

- Brande Butler '94

JUST ONE CHANCE

*Please don't judge me
on my appearance
or who my friends may be.
Because there's more to a person
than looks, clothes and money.*

*Some of your friends may like me
and some may even hate me,
but your liking me
is all up to you and nobody else.*

*You shouldn't care what or who
your friends like
or what they think
because you are your own person.*

*You may not like me.
You may even hate me.
But, give it some thought.*

*You hardly even know me,
so give me
at least one chance.*
