TO WHOM IT CONCERNS

To whom it concerns
my pain is real.
It cuts like a knife
and scars when it heals.

This pain I feel sometimes
I deserve, so I'm writing
this to whom it concerns.

The girls sometimes stare
as I walk down the hall.
But I never say anything;
just turn to the wall.

Do not tell my girlfriend.
I don't want her to find out.
She may not break up, but will
surely shout that I will never
ever learn that I am the one
TO WHOM IT CONCERNS!

— Trey Pender

The life which the world has
given us
is as lovely as the flower in
the dew of the morning.

Sometimes we forget because
the trials and tribulations
of life bring us down.
But always sooner or later
joyful happenings pursue our
soul and we are happy
once more.

Usually, for some incompre-
hensible reason we reflect
on the negative more than
on that of the positive.
That is why in a society
like ours peace and love
are so hard to grasp.

THE PHILOSOPHY OF LIFE

— Deena Sabelhaus

WHAT IS LOVE?

*Love is being there
with one another
through laughter and
tears, caring for one
another and wanting
someone for the right
reason and way.*

*For love like this
you can't dismiss.
When the feeling is
true, then that, my friend,
is what love is.*

— Crystal Bussey

I WISH

If I had one wish
come true, if wish,
I'd wish 4-U.

To hold me and love me every day.
So sweet things you'd always say.

If I had one wish
come true, if wish,
I'd wish 4-U.

To know that you love me
and would never let go.
'Cause with each day our love
would grow.

If I had one wish
come true, if wish
I'd surely wish
4-U.

— Trey Pender

AS ONCE BEFORE

I thought you'd forgotten all the many times we
had shared, how we laughed and cried, how
much you once cared.
When we let each other go and went our sepa-
rate ways, I was left loving you
alone for many depressing days.
My love for you had never gone, yet
I feared a part of me was killed. But
we are together as once before and the
emptiness has been refilled.
I'll never again let you go, I'll
hold onto you forever and bring you
over heaven's skies, where there's no
more pain and true love lies.
I still remember the time you took
my hands into yours and reminded me of
your love that would forever endure.
I think that what you said was true,
for I feel you once again in me. The
time is now right, we've found our true
love, we were meant to be.

— Robin Hosler

POETRY

*It all started on a normal day,
when I saw Mr. Numan headed my way.*

*Nobody's known to come out of his
room.
Where Mr. Numan lives & rides a
broom.*

*It cannot be true, I thought in my head.
If I get put in that room,
I'll surely be Dead!*

Dead or Alive in Alternative Ed.

*I talked to my friend across the divider
until Mr. Numan's eyes got wider &
wider.*

*He followed up with a fatal threat.
"No, not Math!", I screamed in regret.*

*My punishment now
is that my sentence be carried.
Either that or I would surely be buried.*

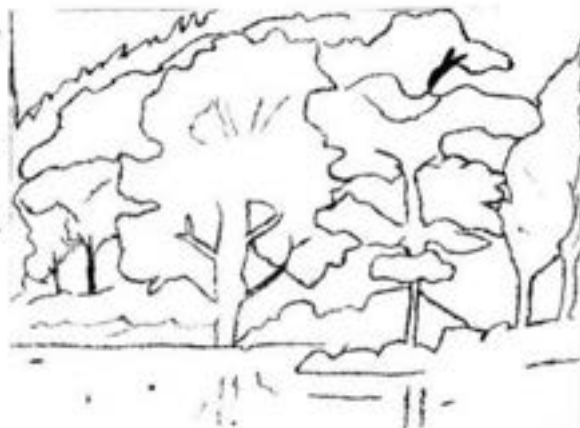

*Three weeks is the sentence
that I must serve.
This room is already
getting on my nerves.*

*Dead or Alive, I think in my head,
Dead or Alive in Alternative Ed.*
