## A TRIBUTE

God hath not promised  
skies always blue  
Flower-strewn pathways  
all our lives through;  
God hath not promised  
sun without rain  
Joy without sorrow  
peace without pain.

Meagan  
Skinner

But God hath promised  
strength for the day  
Rest for the labor  
light for the way  
Grace for the trials  
help from above  
Unfailing sympathy  
undying love.

## Dedicated to Meagan

Is there really a heaven,  
A place above the clouds?  
Or is it just a place within my heart,  
Where you and I will never part?

Every so often I hear your voice  
And tell myself it's just the wind.  
But I know it cannot be;  
It's my broken heart that will never mend.  
I had never been asked to face something so hard,  
To let go of someone so dear.  
I was not ready for what was ahead,  
I didn't know it was so near.

But Death was right beside you,  
Everytime I came.  
He snickered and smirked at my depression  
And made sure I knew of his ominous fame.

I saw you lying there,  
I was just waiting for you to breathe.  
You looked just like a porcelain doll,  
But I still could not believe.

You will never truly be dead to me,  
We will never be apart.  
For you still smile and laugh  
In that little piece of heaven within my heart.

— Carrie Hertz —

## Meagan

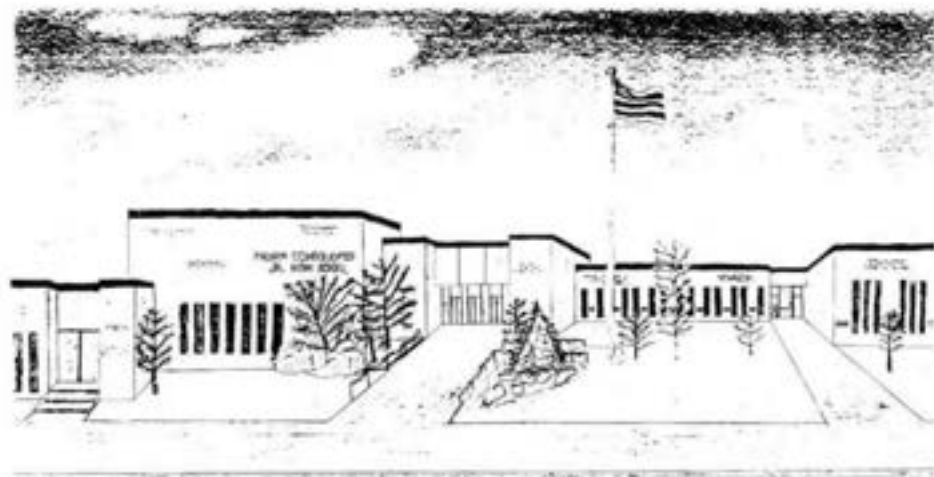

You were the one  
Who learned how to fight,  
To deal with the pain,  
Some good days, some bad nights.

Every time I see you  
There's a smile across your face,  
A vision of hope,  
Such beauty and grace.

Is it an illusion, or can there really be  
a person of such strength,  
10,000 times greater than me?  
I believe the answer is yes.  
She is not only stronger than I,  
She is the best!

Of all the heroes that  
Were once meant to be,  
Meagan soars high among them,  
Or at least she does to me!

— Crystal Greene —
