Dedication

We, the Senior Class of 1935 wish to dedicate this annual to one who has been our loyal sponsor and advisor for the four years of our high school career, Miss Gladys Risk.

Foreword

This is the third student-made annual issued from N. M. H. S. Each one has been a little better than the last and we hope that this one is the best of all.

The class has worked hard and carefully to make this annual a source of pleasure to every one who has one and something for which the Graduating Class of 1935 will be remembered.

NORTH MADISON HIGH

We think North Madison is the best,
She meets with valor every test;
Her soul is loyal, brave and true,
North Madison, we are proud of you.

Her valor is cherished far and wide
By valliant virtue we all abide,
Students rank high on contest field,
A mighty hand they always wield.

For all the contests lost or won,
We honor every noble son
They did their best; thats all we ask
They couldn't perform a finer task.

The zeal for knowledge here abides,
His future here each one decides,
And to our colors, we are true,
North Madison, we are proud of you.

SENIOR CLASS HISTORY

Most people have had a desire to learn more about gypsies and their manner of living. So, I shall give you an account of a very interesting tribe of gypsies.

We, as this particular tribe, worked together as a band for four years. We had been scattered about all over the country and as we came together, each had to learn the ways and desires of the others.

We knew that to be successful we must be organized, therefore we chose as president David Gentrup, and sponsor, Miss Gladys Risk, who served us very successfully all four years.

As time went on, some of them left the tribe for various reasons, but those of us who remained worked together very harmoniously. There was a little discord, but such disputes were settled and forgotten.

The way was not at all easy, but each was willing to climb a few rugged mountains which were in the way.

Now that we are growing older we must travel for ourselves. At last we have come to this great day which we call Commencement Day. There are now only thirty-two of us left, but each of us feel that our four years in this gypsy tribe has been very vital to our coming success in life.

CLASS WILL

The Senior Class of 1935 of the city of North Madison, state of Indiana, county of Jefferson, do herewith and hereby, destroy and invalidate all former documents and declare this as our last testament.

Frances Sommer reluctantly gives and bequeaths Cynthia Pendleton her abundant History knowledge. Now she will be sure and make straight A's.

David Centrup gives his big feet to Wimpy Wimpole, alias Morris Perry, so that he may have a better understanding.

Eleanor Pommerehn wills her slender form to Geneva Padgett.

Sol Conn gives his art ability to his brother Bill in order that he may be good in at least one thing.

Velvin Denny has made the request to give to Welford Campbell his workmanship as a typist, especially when it comes to speed tests.

Ralph Schwartz will his carpenter ability to Ralph Gray. Now he can build a house for himself and Ruby.

Harwood Wilson bequeaths with pleasure all of his offices to Jay Scott.

Rodney gives his basket ball playing to Raymond Sommer. Raymond you're going to have to grow quite a bit before you can fill Rodney's place.

Dorothy Young wills her friend Marion Brinson her place in the basket ball line-up.

Gerald Ramseyer gives to Charles Vayhinger his ability to find out about everybody else's business.

Verle Waltz bequeaths his knowledge of how to court to Richard Hearne.

Ruth Lothspeick wills her quiet ways to Dorothy Grebe.

Frazier Hitz gives his English knowledge to Claude Hance. Claude, I'm afraid you'll have to use quite a bit of your own too.

Mary Phillips bequeaths her sweet disposition to Edith Ringwald.

John Brooks wills his ability of giving Christmas presents to teachers to Vernon Doores.

Ernest Adams gives his boxing skill to his brother Bill in order that he may be better than ever.

Katherine Wood bequeaths her Latin knowledge to Alice Salts.

Donletta wills her letter-writing talent to Leona Brown. I don't think Leona needs it though, she has had almost as much experience as Donletta.

Mary Frances Risk gives her knowledge of A B C's to Mr. Oliver. Maybe he will know then that C comes before H.

Frances Bladell wills her curly hair to Mary Veral Pommerehn.

Edwin Brineor becomes the proud possessor of the debating talent of Claude Smith.

Dorothy Cavett would like to see Virginia Larimore and Mary Ruth Jackson a little more reserved and quiet so she gives to them her quiet and unobtrusive ways.

Forrest Denny leaves his straight A talent to Herry Smith. Now we will have another bright scholar.

Ray Shingleton wills his good luck of having three classes under Oliver to Victor Nitz.

Loretta Lowry bequeaths her Home Economics knowledge to Miss Evelyn Heitz. Maybe you will have better classes now.

Lloyd Bentz gives his advanced algebra wisdom to Earl Smith.

Henry Bentz wills his art of making love to the girls to Donald Coley. I imagine we will see a romance budding in the near future.

Frank Dierkes leaves his ability of getting Mr. Oliver's pipe and smoking it to Jay Wooldridge. Do you think you can do it Jay? You have to be a man if you do.

Virginia Hammond gives her stubborn ways to Audra Hammond.

Portia D. Kidwell wills her ability to smile through thick and thin to Zella Jones. Keep up the good work, Sella.

Louis Holmes leaves his bashful manners to Elwyn Rose. We ought to see a change in Elwyn now.

John Kirkpatrick leaves to Miss Banta, his bird knowledge to distribute as she sees fit.

Mary Frances Risk

A people great and strong;
Men who, for Truth and Honor's sake,
Stand fast and suffer wrong.

your friend.
Our friends see the best in us, and by
that fact call forth the best from us.

Our future president of the United States
Is Harwood Wilson.
Here's hoping he's as good as Theodore.

Ernest Adams, the world's champion fighter
Shall always protect us from being bitten
by the spiders.

A barber's wife Virginia Hammond intends to be
Although she will operate a beauty parlor as
you will see.

Louis Holmes will sail across the sea
There to raise a vineyard and also bees.

Another Senior, John Brooks
Shall draw the girls by his good looks.

The great lawyer, Sonny Hitz
Is so good, he often has fits.

Frank Dierkes, Justice of Supreme Court
Has tennis for his favorite sport.

Roy Shingleton the next war ace
Will always be ready and in his place.

Miss Risk says good-bye and I hope her
prophecies will come true
For to every boy and girl she says
"Good luck be with you."

Frances Sommer

SENIOR CLASS POEM

We once were as green as green could be,
But we waded right in with a determined
stride,
We chose as our willow leader, Miss Risk,
We felt that no one could be better than
she
To lead us on to victory
And helped us attain our sole ambition
As you all know, tis' graduation.

Each new year's meant a lot to us,
Having our loves, our sorrow and care.
We've had many good times too
Going to classes, Planning parties,
Rehearsing plays,
And helping produce a fighting
Team for all our Basketball games
All these happy days are gone
And toward graduation we go on.

Teachers have been good friends to us,
Having patience of untold depths
Inspiring us to much greater things,
That we may bask in the good fortune
Which an education brings
And even though we graduate
All these good things we appreciate.

We've kept Dave Gentrup as president
Through-out these four short years.
He has been a faithful leader too.
Now that our school days are through
To N. M. H. S. we bid a sad adieu,
So turn our faces to the dawn
And bravely face the future.

SPORT NEWS

The North Madison Tigers under the leadership of Mahlon "Red" Lemen for the last two years have made a very impressive record. In 33-34 they had a very excellent record of fifteen victories and seven defeats.

This was Red's first year at coaching. In 34-35 the Tigers had a harder schedule. They won twelve and lost eight.

Red has been a very fine coach and is well liked by all boys who were under him. The team members who graduate this year wish to congratulate him and wish him much success in the future. They also want the North Town Tigers of the future to be very successful and they will always be backed by the class of '35.

The yell leaders for this year were Bill Conn and Mildred Harsin. They were always present and did their very best to keep the team pepped up and urge them on to victory. The song leaders were Aldean Custer and Jean Campbell. May we give these four much credit for the part they played in helping the Tigers win their games.

Turnbaugh, Wilson, Hitz, and Gentrup are lost off the first team by graduation.

The second team also loses three, who are Ramseyer, Kirkpatrick, and Conn. The second team finished the season with the brilliant record of twelve victories and four defeats. We must take time out here in wishing the Tigers all the luck in the future; also to congratulate Red for his fine work while in charge of the Tigers.

SPORTS

N.M.H.S. 30 Dupont 9

On October 17, the North Town Tigers opened their season with the Dupont Red Devils as opponents and defeated them 30 to 9.

N.M.H.S. 12 Madison 20

October 28: The Tigers journeyed to Madison to play the Cubs. With the inability to hit their shots the Tigers were forced to take defeat 20 to 12.

N.M.H.S. 5 North Vernon 26

November 3: Again the Tigers were downed to defeat by the strong North Vernon five. This team was one of the sixteen teams to go to the State finals last year.

N.M.H.S. 11 Hanover 10

November 9: The Tigers came out on the floor determined to get back into the winning column by dropping the Bulldogs in a very close game 11 to 10.

N.M.H.S. 38 Saluda 22

November 10: This was the second game of the week end for the Tigers but they defeated Saluda in a somewhat rough game 38 to 22.

N.M.H.S. 17 Central 36

November 23: The Tigers were host to their bitterest rivals, the Central wild cats. Central, led by Oaks who scored fourteen points, proved too much for the Tigers and were defeated 36 to 17.

N.M.H.S. 29 Versailles 40

November 29: The Tigers journeyed to Versailles. Although the Tigers had a 10 to 2 lead at the end of the first period, they were defeated by the too-heavy score of 40 to 29.

N.M.H.S. 21 Austin 18

December 7: The Tigers had a very poor record, having dropped four and won three. They were determined to improve it. They defeated Austin 21 to 18. Red Young, center, dropped out here on account of sickness.

N.M.H.S. 28 Batesville 27

December 14: The Tigers were hosts to the strong Batesville five. They also were a state tourney team last year. The boys showed plenty of pep and fight therefore we defeated them 28 to 27. This proved to be the best game for the season.

N.M.H.S. 28 Deputy 21

December 15: Another victory the Tigers defeated the strong Deputy five 28 to 21. This was a very ragged game, owing to the hard game the Tigers played the night before against Batesville.

N.M.H.S. 24 Alumni 16

December 21: The all stars came back to teach us how basketball is played but to their great sorrow we showed them to the tune of 24 to 16.

N.M.H.S. 20 Edinburg 26

January 11: After winning five straight games the Tigers dropped one to the fast Edinburg quintet by the score of 20 to 26.

County Tourney

January 19: The Tigers drew their old rival, Central, for the first game in the county tourney. After a very hard fought game the Tigers were forced to take defeat by the score of 15 to 13. They went on through and won the tourney which was their third straight year.

N.M.H.S. 21 Holton 27

January 25: The Holton warhorses visited the Tigers and took home the bacon by the score of 21 to 26. This is our coach's home town. He formerly played with the warhorses.

N.M.H.S. 8 Central 23

February 1: Say is this getting to be a habit? We played Central for the third time this season and lost 23 to 8.

N.M.H.S. 38 Saluda 24

February 8: We win this time Saluda. Boy was it foggy after the game. Oh! The score 38 to 24.

N.M.H.S. 20 Hanover 18

February 15: The Tigers journeyed to Hanover to engage in a battle with the Bulldogs. The Tigers were victorious in an overtime period 20 to 18.

N.M.H.S. 22 Vevay 20

February 22: We dropped another this time to Vevay in a very hard fought game by the score of 22 to 26.

N.M.H.S. 26 Deputy 23

February 23: Probably the roughest game of the season was the last game when the Tigers played Deputy. We were victorious 26 to 23. This marked the last appearance of Turnbaugh, Wilson, Centruo, and Hitz at home.

Sectional Tourney

March 1 and 2: We got an easy draw in the Sectional and won the first game from Lexington 33 to 17. Turnbaugh scored nineteen points. Some boy!

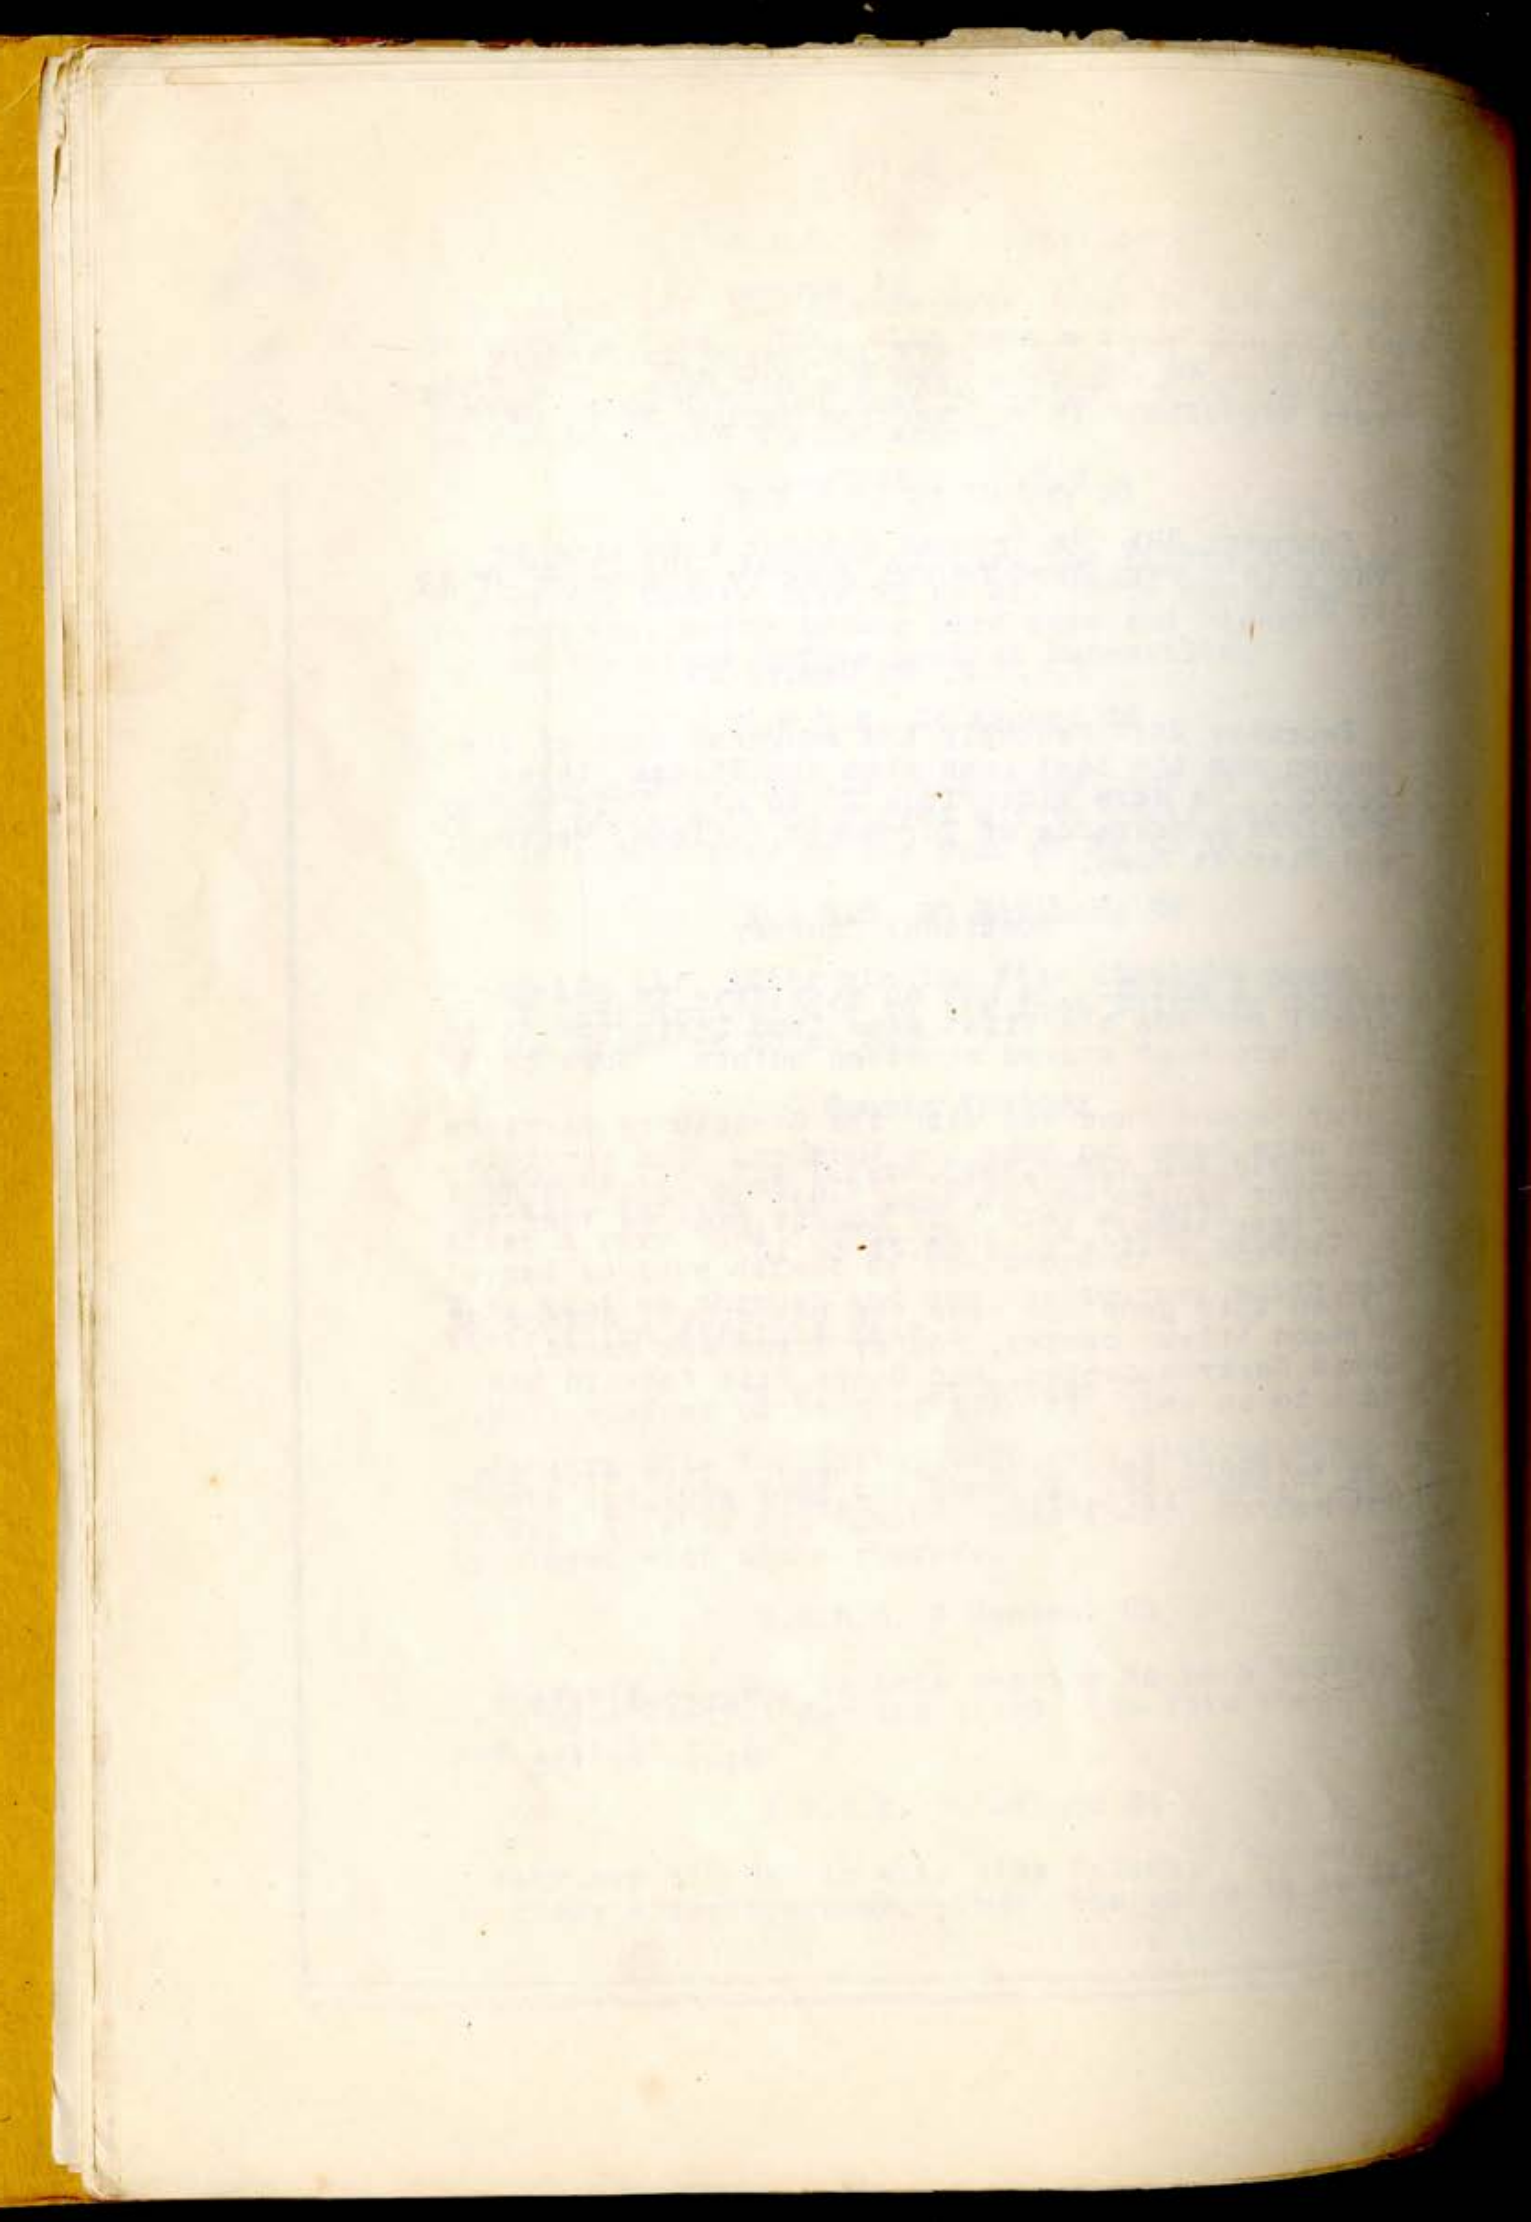

Our second game was with the Scottsburg Warriors who were slated to take the tourney. The warriors are coached by the former North Town coach Whiskey Peeler. After a very hard fought game we lost to Scottsburg to the tune of 21 to 12.

When this game was over the basketball career of Harwood Wilson center, Rodney Turnbaugh guard, David Centruo center, and Sonny Hitz forward had come to an end. It will be hard to replace them.

The second team also lost three. They were Sol Conn, John Kirkpatrick, and Gerald Ramseyer.

CHAPTER 1

1. The first part of the book is devoted to a general survey of the subject. It is divided into three sections: the first deals with the history of the subject, the second with the principles, and the third with the practice. The first section is the most important, as it shows the development of the subject from its earliest beginnings to the present time. It is a history of the subject, and not a history of the people who have written about it. The second section is a treatise on the principles of the subject, and the third is a treatise on the practice of the subject. The first section is the most important, as it shows the development of the subject from its earliest beginnings to the present time. It is a history of the subject, and not a history of the people who have written about it. The second section is a treatise on the principles of the subject, and the third is a treatise on the practice of the subject.

JOKES

Does anyone know where Pat Mason got the name of "Stick"?

Do you know what Victor Hitz does with chewing gum?
Ask Miss Heitz?

Will Edna Banta read letters on April 1st?

Mr. Oliver--If you had 6 $\frac{1}{2}$ dozens of eggs and eggs sold for 1/12 cent a piece, what would you get?

Ernest Adams--I'd probably get the devil from Mother for selling them.

IF I

Could be as popular with the boys as Eleanor Pommer-ehn

Could talk like Elmer

Could sing like Hump

Could strut like V. Doores

Could play like Jay W.

Could love like Carl B.

Could have a haircut like Sol

Could eat hamburgers like Wimpy

Could dance like Claude H

Could drive like Harwood

Could smoke like Pate

Then I'd be happy.

REWARD (Who said) I don't like men with mustaches.
I prefer bald headed ones.

Red Lemen--What are assets?

Ralph Schwartz--Little donkeys, of course.

Red Young--Who was your Mother before she was married?

Hump--Why you darn fool how do I know I wasn't there.

Rodney--I ain't going.

Mr. Rogers--No, don't say that--listen--I am going, you are going, he is not going, we are not going, you are not going, understand?

Rodney--Sure, nobody ain't going.

Mr. Oliver--I went off and forgot my umbrella this morning.

Mrs. Oliver--How did you remember you forgot it?

Mr. Oliver--When I raised my hand to close it, after it had stopped raining.

Freshman Philosophy

1. Don't go to class on time.
2. Don't mind teacher.
3. Don't throw paper wads, throw erasers.
4. Don't go hungry in class.
5. Don't forget to whisper in the assembly.

If you do all these rules I am sure you will graduate with highest honors.

Ask Red Lemen the story about the horse.

A green Fr-shie came up the steps yesterday crying as though her heart would break.

Mr. Oliver: May I ask why you are crying little Miss?
Dorothy Grebe: (still sobbing) Pump Drabell took my bottle away from me.

Where did Edith Rinwald get the name of fat?
I don't know.

Who was the originator of that famous saying
"10 more laps"?

And Again

Dolly was just home after her first day of school.
"well, darling," asked her mother, "what did they teach you?"
"Not much," replied the child, "I've got to go again."

The Three R's

Old-fashioned: "What is meant by the three R's?"
New-fashioned: "The three R's run all through life.
At 25 it's romance, at 45 it's rent, and at 65 it's
rheumatism."

Inheritance

Three blood transfusions were necessary to save
a lady patient's life at a hospital. A brewney
young Scotcher offered his blood.

The patient gave him \$50 for the first pint,
\$25 for the second pint, but the third time she had so
much Scotch in her she only thanked him.

Patience

Lady (at airport counter) "Who attends to the
nuts?"

Wise Guy: "Be patient, I'll wait on you in a
minute."

There Oughta be a Law

"Dear sa," said the absent-minded professor as he
fell down the stairs, "I wonder what is making all that
racket!"
