SENIOR CLASS SONG

TUNE: (You're a Sweet Little Headache)

You're a swell group of schoolmates,
And you've been lots of fun,
And right now we will thank you,
Yes, thank you for all you've done.
We have all tried to help you,
Set examples each day,
But we will not forget you,
No matter what you may say.
You think we can't hold our own don't you?
But you've got us all preplexed,
Here we are leaving you,
Oh, what are we gonna do next?
Through this old world we've scattered,
And we've all gone our way,
We are going to fulfill the plans that we
have someday.
And to our North Town faculty,
Just to you let us say,
We deeply appreciate you starting us on
our way.

JUNIOR PLAY

"The Patsy", was given by the Junior Class at the North Madison Gym., December 21, 1937. The story concerns Patricia Harrington, a girl who "runs second" to her older sister. She is the Patsy who is blamed whenever anything goes wrong, and is forced to remain in the background in order that her sister may be presented to advantage. Her father, a traveling man, is on her side, and finally declares his independence by putting Ma in her proper place. This brings about Patsy's ultimate triumph, and needless to say, affords her happiness as the bride of the man she loves.

SENIOR CLASS HISTORY

On September 8, 1935, sixty-two Freshmen gathered at North Madison High School to begin their high school careers. The first year we chose Cloris Custer as our president, and Mr. Charles Browne as our sponsor. In the spring we had a party at Clifty Falls State Park which was enjoyed by all who attended.

On September 18, 1936, we gathered at North Town for our second year. Our number had decreased to fifty-two but we went on our way. We chose Bance Pendleton as our president, and Mr. Browne was again chosen as our sponsor. We had a party at Clifty State Park this year.

We entered our Junior year on September 13, 1937, with only forty-seven members. We elected as our president, Mary Ellen Jones, and as our sponsor, Mr. Amos Slaton.

On April 7 we were hosts at the Junior-Senior Reception in honor of the seniors. We presented the play "The Patsy" which was directed by Mr. Shoemaker.

Before the close of school we had an enjoyable class party at the home of Mary Ellen Jones.

In September 1938, we began our Senior year. The year we had waited for was here at last. Our membership had increased to fifty. A greater number than any previous class had produced.

During our Senior year we made our annual which represents much hard work by the staff members.

On April 14 we were entertained by the Juniors at the Junior-Senior Reception which was held at the high school gymnasium. This was an occasion to be remembered.

The comedy-farce, "Miss Ginger" was presented before a large and appreciative audience. The play was ably directed by Mr. Shoemaker and Miss McKinney.

The Class officers for this year are as follows:

President.....Mary Ellen Jones
Vice President.....Bill Underwood
Secretary.....Mary Patterson
Treasurer.....Dorothy George

THE 1938-'39 SEASON

With the exception of Norisez, Swafford, Cotton, and Boggs, the Tigers will return next year to continue their work under our coach, Hassfurder.

Although our loss column for 38-39 is as large as our win, we feel we have accomplished quite a lot.

We entered the Sectional Tournament to entangle with Hanover and were eliminated by a score of 36 to 29. This concluded our 38-39 basket-ball season.

The players are as follows: Seated--W. Hinds, R. Cotton, L. Pogue, W. Jenkins, and R. Wehner. Standing--Coach Hassfurder, S. Garlinghouse, student manager, J. Norisez, L. Wolf, G. Jones, N. Boggs, W. Swafford, D. Ferris, student manager, and V. Shoemaker.

TIGERS' BASKETBALL RECORD

N. Madison--11--Austin--15--

On Nov. 4, 1938. The North Town "Tigers" played their first game of the season and were sent home defeated. Opening game nervousness was displayed by both teams.

N. Madison--11--Hanover--18--

Nov. 11. Expecting to slay Hanover, the "Tigers" couldn't get started. Hanover led throughout the game, defeating us 7 points, 18 to 11.

N. Madison--28--Central--17--

Nov. 18. We take Central by a score of 28 to 17. Good work, "Tigers"! Let's have some more.

N. Madison--18--Saluda--21--

Nov. 23. We are again left behind. This time by a score of 18 to 21.

N. Madison--20--Lexington--14--

Dec. 2. We provided a poor homecoming for Mr. Oliver. Our boys led throughout and closed 20 to 14.

N. Madison--20--Charleston--21--

Dec. 9. A very close overtime game, with but a few seconds remaining in the regulation period, Hester practically tore the hoop down with a long to knock the score, and in the overtime, Hester, shot a foul and defeated us.

N. Madison--22--Hanover--26--

Dec. 16. We went to seek revenge on the "Pulldogs", but for the second time this year, they played over their heads and defeated us 22 to 26.

N. Madison--26--Dupont--27--

Dec. 23. Hurrell, diminutive guard for the Red Devils certainly has a queer way of shooting, for, on what we would call a pass, he was fouled and awarded two shots, and again we were defeated by the foul line.

N. Madison--20--Central--24--

Jan. 6. Central avenged the 11 point defeat handed to them by the Tigers on our floor earlier this season, the absence of Jenkins, Tiger forward, helped them considerably. Mr. Browne had an awfully broad grin.

N. Madison--27--Lexington--24--

Jan. 11. Mr. Oliver's teams certainly have tough luck on our floor. If Madison can build a bonfire, so can we. Ask Mr. Cory.

N. Madison--26--New Washington--24--

Jan. 18. We were hosts to the New Washington "Blue Devils" and sent them home by a score of 26 to 24. Jackson and Sterne showed the entire gathering the art of long shots.

N. Madison--27--Deputy--32--

For the Annual Jefferson County basket-ball tourney, the "Tigers" were running true to form on their hard luck. We drew Deputy in the opener, Central and Hanover squared off in the second game, with Dupont and Saluda drawing the bye. The "Tigers" fought hard but there was a little boy named Spicer and --well, you saw didn't you? The score was 32-27. Oh yes, Saluda has the County Championship.

N. Madison--24--Deputy--23--

Jan. 27. We journeyed to Deputy and greatly justified the setback that the "Panthers" handed us in the county tourney. It just shows the fight our boys have when they want to win.

North Madison 31--Cross Plains 25

Feb. 8 We entertained a hard-fighting outfit from Cross Plains and sent them home on the short end of a 31-25 count. It seems as though our scoring runs hot and cold. Cotton was high with 16 points.

North Madison 13--Dupont 17

Feb. 10 Dupont downed us for the second time this season by a score of 17 to 13.

North Madison 32--Saluda 30

Feb. 15 Over-coming a doubled score the "Tigers" downed the County Champs 32 to 30. The "Tigers" were accredited with pass work as good as is found on any high-school floor.

North Madison 31--Deputy 27

Feb. 17 We take in the Deputy boys and win a heart-breaker. Last appearance on the home floor for Swafford, Cotton, Bogge, and Noriset. Our total number of points for the year is 369 to our opponents 353.

HISTORY OF THE STUDENT COUNCIL

Early in the school year of 1937-38, the Student Council, the representative of the student body, was reorganized under the supervision of Mr. Shoemaker, principal of democratic ideals and principles in school government and discipline.

Representatives were elected from each class, the number being limited according to the grade, and a new constitution was drawn up. Miss Mathews was unanimously chosen by the Student Council as the sponsor of the organization.

The Student Council was instrumental in presenting to the student body, convocation programs and speakers, in promoting school spirit, and in carrying out the idea of democracy in school life.

Loren Waltz was elected president by the student body. The other officers were chosen by the council members, and again Miss Mathews was chosen as sponsor. Among the first projects of the Student Council was that of having the basket ball schedule printed upon pencils of the school colors. This proved a very successful enterprise.

Numerous speakers and programs were presented for the benefit of the student body.

In November the installation of the Student Council was held in the auditorium before the high school students. A very impressive program was given. The oath was administered by the principal, the Constitution was read, a talk was given by a member of the Council setting forth what was expected of the students, and a response was made by a representative of the student body at large, an address was given by the County Superintendent. The program was brought to a close by Mr. Morin, who pronounced the benediction.

Several conferences were held with the principal concerning the grading system, attitudes, education, the attainment of higher ideals, and ways in which the present methods and conditions could be improved.

As we come to the close of this year; we look forward to next year when we shall be able to carry out more fully the ideals we have strived to attain.

THE TIGER JOURNAL

Soon after organization, the Student Council appointed a staff to continue the work on the school paper, which was organized last year under the name of the Tiger Journal.

The paper was mimeographed and a small subscription fee was charged. Ten issues were published this year.

It is hoped that this student publication will continue to appear in the school for many years to come.

NORTH MADISON CAMERA CLUB

A short time after the beginning of the 1938-39 term, a Camera Club was organized for the first time in the history of the School. Considerable interest was shown in photography during 1937-38 but, due to the lack of sufficient time, no progress was made in this activity. This interest led to the organization of the present club.

At the first meeting, the officers were chosen as follows:

President--Loren Waltz
Vice-President--Bill Pommerehn
Secretary--Mary Ellen Jones

A committee was appointed to draft a constitution for the organization. Several meetings were held and different phases of the work were discussed by the different members. At one meeting, Mr. Shoemaker, the sponsor, showed some slides that he had made from the negatives of scenes in New York City.

Among the projects of the Club was the taking of individual pictures of the entire student body. These pictures were sold and the money turned over to the school fund. It was planned that the Club take the Annual pictures, but due to lack of equipment, this was not carried out.

We trust that next year, the Club will be bigger and better and that many new projects will be begun.

A Mother and Daughter's Tea was held in December in honor of the Mothers of the club members. Gifts were exchanged at the tea.

In January, Mrs. Callahan, R.N. from the King's Daughter's Hospital addressed both groups of Home Economics girls.

A combined meeting of the two groups met again in February to see a demonstration on the use of cosmetics by Mrs. Marsh of North Vernon.

THE HISTORY OF THE SUNSHINE SOCIETY

The Indiana Sunshine Society was first organized about Christmas time in 1900. It was founded in North Madison in 1928.

The Sunshine Society has as its purpose to render cheery helpfulness and kindness to others. Membership is open to any High School girl who desires to live up to its motto.

During the past few years it has been the custom of the Sunshine Society to hold a Mothers' and Daughters' Night. The chief purpose of this is to interest the mothers in the sunshine girls. This year the Mothers' and Daughters' Night was held February the twentieth. An initiation service was held for the new members. This was followed by a short musical program after which a very interesting talk was given by Mrs. Parker, wife of the President of Hanover College.

The Sunshine Society stands out as a means of securing the best cooperation and of developing the best traits of character in girls.

The officers of the local chapter for the year are as follows:

President.....Cloris Custer
Vice President.....Jane Geisler
Secretary.....Wilotta Wehner
Treasurer.....Mary E. Sommer
