## FRIENDS FOREVER . . . STAY TOGETHER

It is time to say good-bye. But our memories will last forever. We could never forget the time the basketball team made a new record our Senior year scoring 112 points. And when the Seniors took it all for Spirit Week. Yes, friends forever . . . stay together!

(above) The Senior class takes time for a picture. (bottom left) Kristi Jackson, Kelly Boldery, Julie Pully share their smiles for the camera. (bottom right) Charity Taylor poses with David Bright's poster right before a basketball game.

## SILLY SENIORS POSE FOR THE CAMERA

We've stood together over the years. We've laughed together, cried together and showed our friendships for one another for the past 13 years. How could we ever forget our memories here at Southwestern High School?

(above): Nathan Green says, "Me! It's not my turn to give a speech!" (bottom left): Brooke Manning sits in the hall waiting for her picture to be taken. (bottom right): Lynette Marshall, Shelly Boldery, Jackie Sims, Kristi Jackson, Mindy Horine, Amy Snapp, Brooke Manning, Donnamarie Firth build a pyramid to show how crazy they are.

The Junior Class of 1990-91 proved they're ready for their Senior year!

During spirit week the juniors worked hard, placed second just below the seniors, and won two events; the hall decorations and the banner with their "Camp RebelMunga" theme.

The juniors put in many hours of selling magazines and raising money through the annual junior concession stands. This money was used for the Jr./Sr. prom held on April 20th at Hanover College. Stephanie Jackson and Jude Featherstone were named prom princess and prince. Along with other candidates Lori Hall, Kerrie Kuntz, David Bright, and Jason Potter.

During the 1990 Homecoming, Junior Heather Traylor was named Homecoming Queen. Jennie Perry, Denise Weber, and Diane Weber, also represented the junior class.

The class of '92 is filled with many exceptional athletes. There were seven juniors on each the Varsity boys and girls basketball teams. Stacey Field also showed junior excellence in this past year's tennis season, going undefeated in the number two singles up to sectionals.

The Juniors stuck together to accomplish many goals in athletics and academics this past year and are ready for next year!

The Sophomore class had an exciting and successful year. They proved to Southwestern their '93 spirit during spirit week, with their theme "Rebel Tracy."

This class showed their athletic abilities by having two members on the varsity boys and varsity girls basketball teams. Micheal Brooks and Rob Rohrer, for the boys and Tonya Anderson and Jennifer Risk for the girls. The class had leaders in many other sports. Kelly Sutton was the only sophomore varsity squad member in cheerleading. Sutton, who was escorted by Brooks also represented the class during the 90-91 Homecoming.

The sophomore class showed their academic excellence by having eight new members inducted into the National Honor Society.

# FRESHMAN

Many feel that coming into high school is a big step, but this year's freshman class took it in stride. They accomplished many goals that they set in various activities.

The freshman boys basketball team led the class by being the first team since 1987 to win the ORVC basketball tournament. This class also took pride in having a successful member of the varsity boys team, Joe Don Firth. Grant Foley and Brent Shewmaker also saw some varsity time.

Spirit Week also brought great times for the class of 1994. Even though they placed third overall they showed their class spirit with the "Teenage Mutant Rebel Turtles" theme.

This year's Freshman class was represented by Tonya King, escorted by Brent Shewmaker during homecoming. The student council had many members from the freshman class. These students spent a great deal of time making homecoming and other events a big success.

The Freshman class would agree that they proved they're a class to be watched here at Southwestern. Whether it be their leadership roles or their participation in academic and extra curricular activities, the class of '94 loves to show off their "Rebel Pride."

# AN HONORABLE KING

After the 1990-91 school year we not only say good-bye to the class of 1991, but also, sadly, to Mr. Delbert King, principal of Southwestern Jr./Sr. High School for the past thirty years. Mr. King came to Southwestern High School in 1960 and has remained principal ever since. During that time he has seen school consolidations, a tornado that almost destroyed the school system, and the rebuilding of Southwestern as we know it today. This past fall, the gymnasium was dedicated to Mr. King in honor of everything that he has contributed to our school. A retirement "roast" was also held for him at the J. Graham Brown campus center at Hanover College. Many friends and family members joined together to reminisce about the "King Delbert years." Again, we thank you Mr. King for your dedication and wish you the very best in retirement.

Seniors who received major awards at Honors Day include (from left): front — Lisa McDonald, Stacy Wildman, Shane Singer, Andrew Palmer, Brad Burch; middle — Mandy Pate, Charity Traylor, Donnemarie Firth, Kathy Brawner, Lynette Marshall; back — Kristi Jackson, Angie Spray, Debbie Curry, and Tim Trout.

Junior High students who received major awards from Mr. King at their Honors Day include (from left): front — Lori Turner, Carri Spurgeon, Tabatha Rudolech, Greg Ritchie, back — Amanda Huffington, Lisa Bowman, Rebecca Cheatham, and Bryla Hamilton.

**TECHNOLOGIES** A Bover Company

3000 Michigan Rd. • Madison, IN 47250 • (812) 273-4040

Contour Technologies would like to take this opportunity to introduce to you our product line which includes all accent parts for Z-28 IROC Camaro, lower trim parts and spoilers. Contour Technologies is the sole supplier of these parts to General Motors Assembly Plant in Van Nuys, California. Keep in mind that, any of these cars that you might see in the United States or abroad have accent parts that are painted in Madison, Indiana.

In addition to General Motors, we also supply DRW Truck Fenders for the Ford Dually Truck Plant which is located in Kansas City, Missouri.

Contour Technologies, through the years, has earned the respect of the automotive industry as a top-rate source for top-coating and Just-In-Time sequential packaging.

We have, in the past 2 years, updated our system of Conventional Spray Technique to an advanced process of Electrostatic Paint Application. We have also added two paint booths and 500 feet of conveyor so that we may increase our capacity. Contour Technologies also does the sub-assembly work on all of the products that we supply.

Our General Headquarters is located in Hillsdale, Michigan where that plant not only specializes in painting, but injection molding as well. Their injection molding presses range anywhere from 750 tons to 3000 tons. Some of their product lines include top-coating of the Buick Reatta and Freightliner exterior molded parts.

We are continually striving to be the best at what we do, and always welcome new business into our facility.
