TWO THOUSAND

*WINE*

The graduates of the fiftieth class of Southwestern High School students held their heads high as they took their rightful place in history on June 6th at 1:00 p.m. in the Delbert O. King Gymnasium. Following the processional, Steve Drossart and Monica Stoner gave a warm welcome to all in attendance for the special event. Many a chuckle were heard when Tyler Kirby and Shelby Ritchie shared the class history. Before the honoring of the academic honor students Rebecca White and Jackie Sprong entertained the audience with "For Good" from the musical Wicked. Next, Hilary Deuser and Jordan Craig gave their co-salutatory addresses. Franklin Totten, the 2009 valedictorian, gave his speech prior to the presentation of the diplomas. Hilary Deuser, once again, took the podium to direct the ceremonial "changing of the tassels." Megan Bladen and Courtney Gray offered a few parting words before Superintendent Steve Telfer gave the closing remarks.

#### GREAT EIGHT

American swimmer Michael Phelps made history at the Summer Olympics in Beijing, China, by becoming the first athlete ever to win eight gold medals at one Olympics. During his breathtaking week in the pool, seven of Phelps' eight victories were new world records.

#### A MORE URGENT NEED

Rising oil prices and continued climate changes made the search for alternative, renewable sources of energy a more prevalent topic of discussion. Solutions like wind farms, using large turbines, became more common.

2008-09

## retrospective

#### HISTORIC ELECTION

Barack Obama was elected the 44th U.S. president, becoming the first African-American person to lead the nation. A record 127 million votes were cast, with about 31.7 million voting early for the first time in 30 states. This also was the longest presidential campaign season ever - 21 months.

#### WHO ARE YOU?

The fight against insurgents continued in Iraq and Afghanistan. Deployment of American troops meant tearful farewells and joyful homecomings. Sometimes, servicemen returned to meet new family members.

#### GRIM ECONOMY

Americans felt the recession as foreclosures, layoffs and food prices increased. The stock market's plunge ate away college and retirement investments for many people. The federal government approved a \$700-billion bailout plan to try to get the economy moving.

#### NO JOKE

Anchored by the haunting, tragic final performance of the late Heath Ledger as the Joker, Batman sequel *The Dark Knight* drew rave reviews and shattered box office records. Earning more than \$500 million, *The Dark Knight* became one of the most commercially successful American movies ever made.

#### A LONG TIME COMING

The Philadelphia Phillies won just the second World Series in their 125-year history by defeating the Tampa Bay Rays in the World Series. By winning a rain-soaked Game 5 that was delayed for two days by storms, the Phillies ended Tampa's hopes of going from the worst record in baseball to the championship.

#### LIVE FROM NEW YORK...

Nobody took advantage of the election season more than the sketch comedy show *Saturday Night Live*, which brought back former cast member Tina Fey due to her resemblance to VP nominee Sarah Palin and rode Fey's impersonation to its highest ratings in years.

#### CHEAPER GAS

After a record high less than a year ago, gasoline prices dropped, reaching a five-year low at one point. Despite falling prices, Americans continued to drive less.

#### FAR-REACHING STORM

Hurricane Ike devastated Galveston, Texas, and caused damage and power outages in at least 10 states from Texas to Ohio. The southeast U.S. saw gas shortages.

She graduated from Purdue University. She currently teaches English 9, serves as sponsor of the freshman class, and coaches the English Academic SuperBowl team. "This year has been an interesting experience," chuckled Mrs. Cook. "I've enjoyed getting to know the students and faculty here at Southwestern."

## Mr. Hutton

He coaches middle school cross country and is the assistant coach for the varsity baseball team. His previous teaching experience includes a stint as a student teacher at Mt. Vernon High School. His hobbies include: fitness of any kind, golf, baseball, and swimming.

"I have really enjoyed my time here at Southwestern. The student body is great and the faculty is very helpful for first year teachers. I look forward to many more years here!"

## Mr. McAlister

While not serving the students of Southwestern, Mr. Nussbaum enjoys being actively involved in sports, playing golf, and spending time with his family. He and his wife, Stephanie, have a fifteen month old daughter, Addison.

When asked to sum up his first year experience, he happily stated, "I love my job!"

# Tragedy Strikes Jefferson County

## Wind Storm

What a year! Students, coming and going from various practices, scattered as the sonic bomb shook the gym. Immediately the roof of the gym and pool peeled up, landing in the trees and yards of neighboring citizens. Rubble and debris littered the parking lot and surrounded the damaged cars. Many students spent nearly a week without the basic comforts provided by electricity.

February 11,  
2009

"Indiana Hurricane" struck our area on Sunday, September 14th. Extensive damage caused by straight-line winds from Hurricane Ike prevented students from attending classes. Days of school missed: 5

## Courthouse Ablaze

On the warm evening of May 20th the Madison Jefferson County Courthouse caught fire. The sad event caused a gathering that many compared to "a regatta crowd."

Unfortunately, the building had just been painted in preparation for Madison's Bicentennial celebration.

# Justin Michael Ricke

October 21, 1990 - November 7, 2004

Justin will always be remembered for his laugh and constant smile. He was a known cowboy, and he was always high in spirit. There was never a day to pass where he did not bring light and a smile to a friend's face. As the years have come and gone, his memory has continued to live on with us.

This picture, shared by his family, is an age progression picture, showing what Justin may look like if he were still with us today.

Class of 2009

To Our Sweet Kristen Hope,

You have been, and continue to be such an amazing daughter! We are Immensely proud of your strength, character and resolve to always do the right thing. Like the "Mighty Oak," your strong roots will give you the strength you need to withstand any storm and achieve much greatness! We love you so very much!

## The Oak Tree

by Johnny Ray Ryder Jr

A mighty wind blew night and day  
It stole the oak tree's leaves away  
Then snapped its boughs and pulled its bark  
Until the oak was tired and stark

But still the oak tree held its ground  
While other trees fell all around  
The weary wind gave up and spoke,  
How can you still be standing Oak?

The oak tree said, I know that you  
Can break each branch of mine in two  
Carry every leaf away  
Shake my limbs, and make me sway

But I have roots stretched in the earth  
growing stronger since my birth  
You'll never touch them, for you see  
They are the deepest part of me

Until today, I wasn't sure  
Of just how much I could endure  
But now I've found, with thanks to you  
I'm stronger than I ever knew

Kristen,

Our wonderful, lovely flower has blossomed into a beautiful young woman. You have filled our whole being with pride of who you are, and what you have accomplished. I know that there is much more to come, and we look forward to sharing it with you. You have been our joy. To use The Noodle's phrase:

"You make our hearts happy."

Love,

Nana & Boppop

Sometimes it can be rough  
being the youngest child of four.  
Ruffled, curled and pampered  
and then teased even more.

But you kept right on smiling  
And then rising above.  
Congratulations Hilary!  
From your family, with love!

# Rebian Staff

2008-2009

"We are built to conquer environment, solve problems, achieve goals, and we find no real satisfaction or happiness in life without obstacles to conquer and goals to achieve."  
- Maxwell Maltz

"Hitting the ground running - without shoes" is a great phrase to describe the start of our year together. If it weren't for the staff's strong desire to create a great yearbook and willingness to help their rookie sponsor, Southwestern wouldn't have this fabulous full-color Rebian to cherish.
