Graduation

Class of 2010

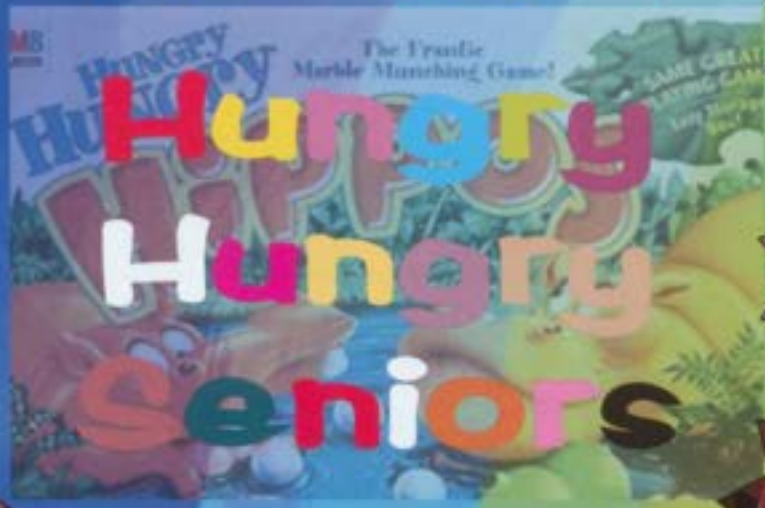

Following the processional, performed by Don Cochran's band, Lydia Osbourne welcomed all in attendance to Southwestern High School's fiftieth graduation ceremony. Amusing the crowd, Tanner Mahoney and Katie Adams shared some of triumphs and turbulences experienced throughout the last thirteen years. Then, all academic honors students were asked to stand and be recognized for their outstanding accomplishments. Katie McKinley delivered her salutatory address, encouraging future students to perform well in school but to enjoy their youth as well.

Valedictorian, Hannah Hardy, conveyed a message promoting future accomplishments and remembrance of the time spent together. High School Principal Jeff Bates delivered the graduation address. Principal Bates then joined Assistant Principal Watson and the Senior Class Sponsors Brandon Frye and Jennifer Cornelius to introduce the individual graduates and present the diplomas. Next, Senior Class President Lacey Morrison administered the changing of the tassels. Immediately, the graduating class of 2010 whipped out their cans of silly string, slipped on their shades, and threw their caps in the air. Next, Rachel Perkins shared an anonymous poem as parting words for the graduating class. Superintendent, Mr. Telfer, closed by challenging the students to continue to set goals, attend college, and to simply finish the race.

Honors Day

..... Did I do That?

*Looking back, fondly, at the years gone by
Wondering how we ever got to this point*

2009-10

retrospective

YANKEES BACK ON TOP ►

The New York Yankees defeated the Philadelphia Phillies in six games to win the 2009 World Series, and claim their record 27th championship. Outfielder Hideki Matsui hit .615 in the series and became the first Japanese player to win World Series MVP.

DISASTER BEYOND BELIEF ►

A powerful earthquake, measuring 7.0 on the Richter scale, hit just outside Port-au-Prince, the capital city of island nation Haiti. More than 150,000 people were killed, nearly 400,000 lost their homes and were left scrambling for aid and several of the country's historic landmarks were destroyed.

A NEW MOON AT THE MOVIES ▼

Many theaters sold out as early as two months in advance when *New Moon*, the second movie in the *Twilight* series, made it to the big screen. The romantic tale of Bella Swan and her vampire boyfriend Edward Cullen made more than \$72 million on its opening day, thanks largely to the teen audience.

WAR ON TERROR ▲

About 68,000 U.S. troops were stationed in Afghanistan to fight the Taliban as President Barack Obama planned to send an additional 30,000. He also stated a goal of bringing troops home beginning July 2011.

GOOD-BYE TO THE KING OF POP ◀

Michael Jackson, considered one of the most influential and famous musical entertainers, collapsed in his home and later died from an overdose of prescription medicine given by his doctor. Jackson's sudden death led to much reflection and debate about his eccentric life.

ABLE AND UNEMPLOYED ◀

There were signs the nation was climbing out of the recession, but job hunters could not tell. U.S. unemployment reached 10.2%, the highest since 1983. The unemployment rate for teens reached a record 27.6%.

○ CANADA! ▼

The 2010 Winter Olympics were held in Vancouver – the third Winter Olympics hosted by Canada. Athletes from more than 55 countries competed in 86 different winter sports.

ARMY BASE MASSACRE ▲

An army psychiatrist at Fort Hood, Texas, allegedly opened fire on base, killing 13 people and wounding 30 before being wounded. Investigators were trying to determine whether Major Nidal Malik Hasan, an American, had terrorist ties.

HEALTH CARE DEBATE ▲

Americans loudly voiced their opinions about health care reform. During Congress' August recess, people shouted down their congressmen at town hall meetings. Cost was a hot button, with reform bills in Congress ranging from \$848 billion to \$1.052 trillion.

FLU VACCINE SCARCITY ◀

While the government asked the public to take the H1N1 influenza seriously, vaccine shortages occurred because it could not be made fast enough. Then people had to decide whether to get the "regular" and the H1N1 vaccines – available in shot and nasal mist forms.

Although the soccer team lost a key player, goalie Nick Carroll, early in the season, they managed to end the season with a 8-8 record. Freshman Stuart Bramer took on the role as goalie and did well for his first varsity season. Unfortunately, the team didn't make it out of sectionals, but they are looking forward to a good season next year with 5 upcoming seniors.

We Love Our Fans

The 2010 season offered a unique opportunity for fans of the old American pastimes of baseball and softball. The addition of a softball field on school property allowed, for the first time, fans to easily go back and forth between the two spring sports. Previously, the Lady Rebels softball team competed at Hanover Park. This is the first season they were able to play on true Rebel land.

Fans, and players alike, gained momentum from the roar of the crowd and the sweet sound of the cracking bats. Only a short trek to the next field allowed supporters to catch a glimpse of the simultaneous action. Overall, the project helped create a more cohesive program and successfully paid tribute to the efforts of the female athletes, encouraging future generations to take advantage of the new facilities and join the team.

BEHIND THE SCENES OPERATION

Subs. fall asleep, faculty determines disciplinary action, staff support juggles multiple tasks, central office does it all and the day marches on...

Often the day-to-day operations of our school run like clockwork, and we take for granted all of the pieces that have to carefully fall into place time and time again for our educational day to be complete. Seldom do those who deserve recognition for their hours of hard work receive it.

Painted Parking Spots

For the first time at Southwestern, students were able to express themselves by painting their parking spots for the small price of \$15. The proceeds went toward the senior trip being planned for the class of 2012. Thanks to the initiative of our teachers, Mr. and Mrs. Means, a new and creative fundraiser was started.

Once you choose hope,

For the first time at Southwestern, the volleyball teams joined together for an inspiring cause: the fight against breast cancer. Baskets, ribbons, t-shirts, and balloons were sold to help support cancer research. In total, the volleyball team with the help of over 300 fans raised an amazing \$1,740.41.

For the friendship,
But mostly, for being you.

"Never back down."

The world is waiting...you have the strength and determination to conquer it. Always remember to: Live, Love, & Laugh.

LOVE YOU!!!
Dad, Mom, & Brooke

Jessie

*Continue to be the person you are!
You'll always be American Honey.
Love, Mom & Dad*

Hannah,

Where has the time gone? We have watched our little girl collect rocks, play basketball, and strive to reach the top of her class. The agonizing long practices and late night study sessions have certainly paid off. We know you can do anything you put your mind to, and you have proved that time and time again.

We love you very much! Mom and Dad

Maggie

Doodles -

Your success has come from hard work and dedication. You have not been afraid to set your goals high and challenge yourself to achieve them. Continue to persevere and you will soon become Dr. Maggie Rose Thomas!

We are so proud of you. You are our special angel.
Love,
Mom & Dad

Katie '10

You never cease to amaze us!
Congrats.
We love you...

Mom, Dad,
your favorite twins
Sydnie & Cheyenne

Jake,

I have watched you grow into a beautiful person, inside and out. You are such a genuine, smart, strong, and selfless friend. I love you so much that I can't find the words. I must have done something right in my life as God has surely blessed me by giving me you. I am so very proud of you!

I know that you are going to continue to grow and achieve even more than you already have! The last 18 years have been wonderful; I can only imagine what the next 18 years will bring. The sky is the limit...always stay true to you! Be confident, do your very best and all will fall into place. Never forget...I believe in you!!

Love You, Mom

Getting better all the time...

It is tough to say goodbye to this group of seniors, since they were my first group during my stint as a seventh grade student teacher.
